FOUNDER

Sri G.V.G. Visalakshi College for Women, Udumalpet established in 1952, by the great visionary Sri G. V. Govindasamy Naidu works on the VISION – TO EDUCATE, EMPOWER and EMANCIPATE WOMEN in this part of the country with their constant and consistent efforts to fulfill the vision of the founder.

ABOUT OUR COLLEGE

About six decades ago in 1952, Sri G. V. G Visalakshi College appeared on the academic map of Tamilnadu as the first Women's College in Tiruppur District. Set in idyllic environs, the stone edifice of the college stands as an eternal monument of the philanthropy and foresight of the founder Sri G. V. Govindaswamy Naidu, who envisioned a futurity of emancipated womanhood of the socially, economically and culturally backward rural society of Udumalpet in his days. His descendants have fostered the system with the same spirit, enlarging the scope and variety of higher education offering a multiplicity of traditional and modern courses. His grandson Shri. G. Raveendran, Trustee cum Secretary nurtures the educational edifice with great devotion. The story of the growth of the college is from a gradual uphill ascent to the summit of excellence.

Vision

Empower women through quality education by providing holistic learning experience resulting in intellectual transformation.

Mission

- ❖ To create a benchmark in the field of education through various disciplines of study.
- ❖ To provide a learner centric curriculum for life and living.
- ❖ To equip the students face the challenges of the dynamic environment by providing necessary skills.
- ❖ To offer value based education synthesizing Arts, Science and Spirituality.
- ❖ To train the students for selfless service and nation building activities.

Programmes Offered - UG and PG

From June 2004 onwards, the college offers UG and PG Programmes on Choice Based Credit System (CBCS). In tune with the objectives of the UGC, a corporate shift to this Choice Based Credit System is a natural sequence of our move towards quality and excellence. Credit refers to the weightage of a course in relation to the instructional hours and other related parameters. An Under Graduate student should earn 140 Credits and a Post Graduate student should earn 90 Credits for the award of the degree. A student can also earn extra credits by opting for Advanced Learners Courses depending on her competence.
