# Unlocking Potential Igniting Minds!

Established in the year 1952, the Sri G.V.G. Visalakshi College for Women has a shining 70 year legacy in empowering women through education. The first exclusive women's institute in the area, the college was founded by visionary & philanthropist Sri G.V.Govindaswamy Naidu.

“Not for self  
but for all

The ethos and culture of the college are rooted in the ideals of openness, tolerance and respect. The institution serves the cause of providing higher education to rural students, while inculcating lifelong learning. Whatever their paths in life, a GVG alumna will be recognised for their integrity, willingness to learn, innovate & collaborate, and above all, be a selfless contributor.

## Mission

- ✿ To create a benchmark in the field of education through various academic disciplines
- ⦿ To provide a learner-centric curriculum for life and living
- To equip students with the necessary skills to face the challenges of a dynamic environment
- To offer value based education synthesizing Arts, Science and Spirituality
- ✿ To train students for selfless service and nation building

## Vision

Empower women through quality education  
by providing holistic learning experiences  
resulting in intellectual transformation.

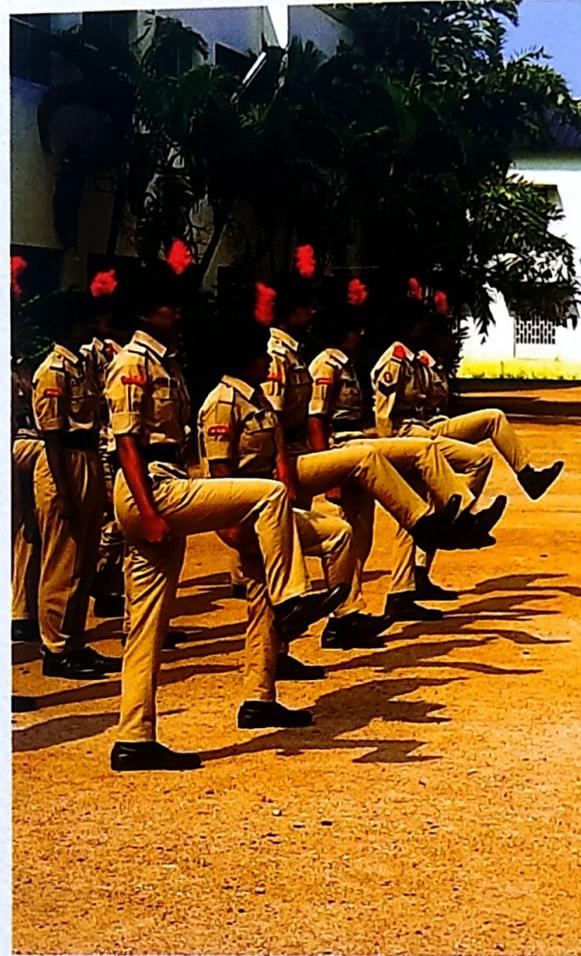

“Empowered women,  
empower women!”

# Why generations of women choose GVG!

A standout institution in every respect, GVG is the first choice of many a girl student. The college provides excellent physical & ICT (Information & Communication Technology) infrastructure, with programmes that match evolving professional and employment trends.

With dedicated, experienced and committed staff, GVG delivers an extremely high quality of education, while keeping costs accessible to most learners.

Responsive and sensitive to the needs of its student body, GVG has several initiatives like internships, competitive exam training, industrial visits and counselling for education abroad.

GVG unlocks the potential for excellence in young women, many of whom are first generation learners, and transforms them into versatile, self-reliant and impactful professionals and entrepreneurs.

# The GVG Edge

- ✿ High quality education for women, with emphasis on discipline, safety and security
- Ideal student-faculty ratio
- ◎ A+ grade accreditation by NAAC in the fourth cycle in 2019
- ◎ MoUs with institutions like IBM, TCS, NIFT-TEA, SITRA & Si'Tarc for excellence in teaching methodologies and professional competencies
- ✿ Curriculum on par with industry requirements
- Winner of the “Green Champion Award” from the MGNCRE, Ministry of Education
- ◎ Tech savvy operations, with top notch ICT infrastructure including CAMU with mobile apps for students, parents and faculty portals, for the best teaching-learning experience, administration and conduct of examinations
- ✿ The college is a *Centre of Excellence* under IBM

# Going the extra mile

- ✿ Financial, academic, psychological and professional assistance for every student
- Need based training to boost placements in MNCs and other corporates
- ◎ Training programmes for competitive exams likes TNPSC, RRB, Bank and IAS
- ✿ Research and innovation encouraged from undergraduate levels
- ✿ Special coaching and free education for national level sports performers
- Support and guidance for students planning to study abroad
- ◎ Proactive placement cell
- ◎ In-Campus coaching for competitive examinations
- ✿ Co-Branded programmes with IBM and TCS

Every girl is born  
with wings.  
She just needs  
the space to fly!

# World of GVG

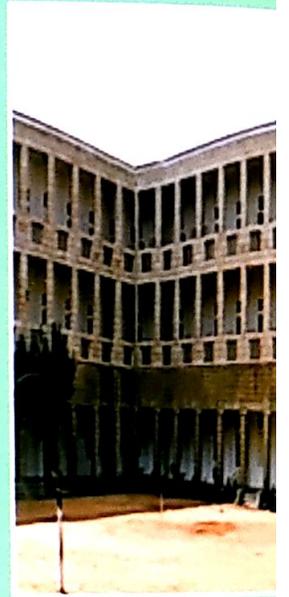

GVG is a special world and a transformative experience, with all the facilities for girls to learn, explore, play, and develop into confident young women.

GVG is noted for its infrastructure with spacious classrooms, palatial indoor stadium, conference halls and state-of-the-art computer labs.

Residential students are accommodated in a comfortable, secure hostel with study & recreational activities.

The college operates democratically with the Student Council taking an active role. The body also helps nurture leadership and teamwork.

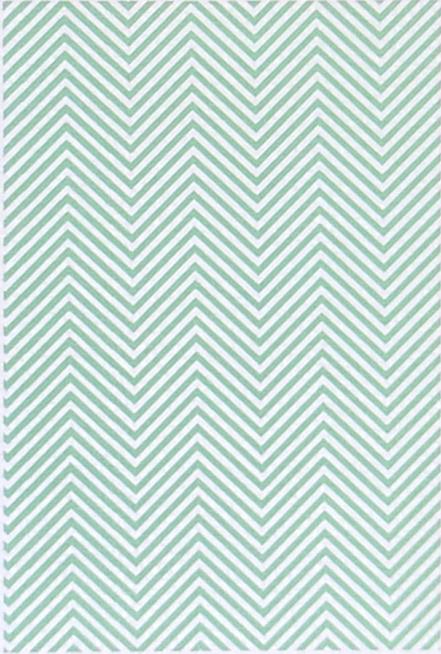

There are various college clubs which help students gain exposure to diverse activities as well as find extra-curricular interests.

# Campus

« GVG is housed in a sprawling 7 building campus, right in the heart of Udumalpet. It is in close proximity to the bus stand and railway station.

The main block houses the Principal's office, the administration section, Auditorium, AV Room, Central Instrumentation facility, Computer labs, Arts, Science and Commerce departments, classrooms, and staff rooms.

Additional classrooms, canteen and an indoor stadium are in the annexure. The sports ground adjacent to the college is used for outdoor activities.

Safety of students & staff is paramount and the campus has surveillance cameras and well established rules for entry & exit.

# Academic & Research facilities

## Classrooms

GVG has spacious, well-lit and well-ventilated classrooms with AV equipment, including mikes, LCD projectors and amps. They are also Wifi enabled.

## Library

The 200 seater Library is a hub of learning with a wide collection of books, e-books, standard reference sources and videos with augmented reality, podcasts and CD ROMs. The library is well stocked with national and international journals and is fully automated.

## E-Resource Centre

Part of the library, the e-resource centre has 10 computers with printer facility to help students & staff access the internet for their academic & research pursuits.

## Audio-Visual Aids

The college has invested in a variety of Audio-Visual tools to modernise the teaching-learning process. These include overhead and LCD projectors, 3D Models, Maps and Charts.

## IoT Lab

Raspberry Pi and Arduino kits to support research and innovation.

## Laboratories

The college has well-equipped laboratories that meet HEI norms. All labs are constantly updated to meet current educational trends and dynamic course requirements.

GVG has exclusive labs:

- « Physics
- « Chemistry
- « Botany
- « Zoology
- « Computer Science
- « AI
- « IoT

## Central Instrumentation Facility (CIF)

This facility was established in the year 2016-17, with funding received from the Department of Science and Technology (DST), Government of India under the FIST Scheme.

High end research instruments at the CIF include the HPLC modular system with PDA detector, FTIR with Diamond ATR, Gas Chromatography system, Sonicator and the UV-Vis Spectrophotometer.

# Extra-curricular & leisure facilities

## Auditorium

The fully air-conditioned, ICT enabled auditorium can seat 1200 people and is the venue for seminars, talks and college programmes.

## Audio-Visual Room

An air-conditioned, ICT enabled Hall, the AV room can accommodate 100 people and is used for a variety of programmes.

## Hostel

The hostel facility is common to students of all GVG Institutions.

## Canteen

The college canteen serves food through the day for students & professors.

## Sports Ground

The college has a multi-purpose ground used for outdoor sporting activities.

## Indoor Stadium

The college encourages all sporting activities, and has devoted a huge indoor space for students to participate in and practice games like badminton, table tennis, carrom and chess. The indoor stadium is one of the most popular spots in the campus.

# Green initiatives

## Solar Panel

GVG has installed a grid connect Solar PV of 21kW.

## Composting Pit

The garden and canteen kitchen waste are composted.

## Rainwater Recharge Point

To help increase the overall groundwater level, the college has a rainwater recharge point.

**Your mind  
can change the world!**
