REPORT

GVG NSS and UBA Sensitization Programme on New Educational Policy REPORT

The main objective of this webinar was to **create awareness about the newly launched National Education Policy - 2020** amongst teachers, students, officials, and other stakeholders in the higher education system. Dr.M.Mehar Banu, Assistant Professor from the Department of Economics began the session by welcoming the participants. She shared the vision for Higher Education in India – 2020 with a focus on three main elements i.e. Students enrolling in the Higher Education System Holistic and Multidisciplinary Education and Educational Technology, and Online Education. He also shed light on the current state of the Learning Crisis, which gave way to the creation of this new structure i.e., it replaced the 10+2 with 4+3+3+2+3.

Dr.M.Malarvizhi Assistant Professor from the Department of Chemistry emphazized about the substantial impetus placed on vocational education or hands-on learning in the new policy which will give rise to multiple hybrid jobs. Also she added that with the rapid progression of information technology, and to be able to offer the students a much broader, multidisciplinary foundation, she expressed the importance of using a holistic and multidisciplinary learning approach which will help the learners adapt and reinvent themselves to the demands of the new hybrid work culture and dynamic socio-cultural changes. She highlighted the National Educational Technology Forum which provides independent evidence-based advice, builds institutional and intellectual capacities, envisions strategic thrust, articulate new directions, and also research. Dr. V.Pankajam Assistant Professor from the Department of Mathematics concluded the session by emphasizing the challenges faced in accessing online and offline content.
