Fire Precaution and Fire Safety Measures

Venue: Valavadi Village, Tirupur District

Date: 05.03.2024

Time: 11:30 a.m.

REPORT

Demonstration of **Fire Precaution and Fire Safety Measures** was organized by the National Service Scheme of Sri G.V.G Visalakshi College for Women on 5.3.2024 at 11:30 am. The guest speakers Thiru S. Dhamodharan and Thiru S. Lakshmanan, Fire Safety Officers, Udumalpet, insisted the following in their speech:

👉 Our health and fitness are more valued than our wealth. In fact, our elders were always been focused on the health and fitness part. They treasure it like wealth. The major reason for ill health is the personal habit and living style of people.

👉 Physical activities play a crucial role in academic success. Regular physical activity can improve concentration and memory retention, reduce stress and anxiety, improve sleep quality, enhance creativity and problem-solving skills, and improve physical health.

👉 General Fire Safety Precautions and tips on fire safety were also discussed.

👉 One of the most effective ways to promote mental health is to practice self-care. This includes activities that help us relax and maintain a balance in our lives. This may mean taking a walk-in nature, spending quality time with family members, or simply unplugging from social media for a while. By doing so, we can reduce stress and anxiety, thereby nurturing our mental health.

👉 Moreover, creating awareness and sharing information about mental health is crucial. The more we educate ourselves and others, the better equipped we will be to identify when someone needs help and support. The students remained active listeners throughout the session and they really enjoyed the fruits of it.
