### REPORT ON UNDERSTANDING SHARE MARKET OPERATIONS

Department of Commerce (Aided) conducted sponsored by BSE a webinar on the topic, " Understanding share market operations" on 24.03.2021. The guest lecture has been organized to provide knowledge of fundamental and technical analysis of the stock market. The speaker of the webinar was Mr. Amar Bhatia who is a portfolio advisor and has experience in the stock market since 2007 and Mr. Deepak Gurnani who has been mentoring students for the past 26 years. His session was then continued by Mr. Amar Bhatia, who began with an introduction to the stock market and how important it is going to be in the near future. Following this, he shed light on the various types of traders, graphs, and charts. He further explained the 5 C's to become a successful stock investor. Most importantly, he mentioned the different websites and techniques of the stock market. He concluded by discussing the significance of the stock market and why people should invest in it. Totally 566 students from the commerce stream had been benefitted through this webinar.
