Extension Activities Report 2013-2014

III B.A ECONOMICS

Under Extension activity 33 students from the department of economics, went to the Primary School at Vagaithozhuvu village, for extension work on 8.10.2013.

They conducted awareness programmes on various aspects.

- First Aid
- Traffic Rules & symbols
- Good touch and bad touch
- The uses of herbal plants & Cleanliness
- Yoga and exercise to the students.

The students of Primary School at Vagaithozhuvu Village showed great interest while listening. The school Head Master appreciated and thanked the work of the students. She said that it was helpful to them in the face of shortage of staff. All the programs were informative and the students participated enthusiastically. Finally, the students planted saplings in the school campus.
