Educational Tour Report

The two days study tour was organized by the Department of Economics during the month of September 02 & 03rd October of 2019 (Two Days). We were taken 43 students along with 5 Staffs to Mysore, to visit the Government Sandalwood Oil Factory, Soap factory and Karnataka Silk Industries Corporation, which gave them exposure toward its production process. The students also visited historical places like Tipusultan memorial and Maharaja Palace. The students enjoyed Government shopping, KRS dam and light and sound show. Hence our study tour visit was a memorable experience gathered from various sites.

This education trip is relevant to bring awareness on the applications of subject topics.
