

Sri GVG Visalakshi College for Women, (Autonomous), Udumalpet

Post Graduate & Research Department of Economics

The Department of Economics organized an educational tour to Pondicherry from 07.09.2018 to 8.09.2018 with 44 students and 3 faculties.

On 7th morning at 9.00 am went to ManakulaVinayagar temple and worshiped God Vinayaga.

At 10.00 am went to Lenovo Pvt Limited and they understood about the Assembling section of laptop unit and desktop computer units. They saw the raw materials which are procured from china and check product name. How fast the workers (both men and women) together working in the unit. The orders are taking directly from various educational institutions, malls, working places, hospitals and factories. The deliveries of computers are sending with the help of logistic providers such as ARC, TVS, and VRL to various cities. Every day more than 2000 laptops and PC are produced by the company. There are 500 labourers equipped with the knowledge of mechanical and electrical diploma holders. In India, Lenovo Company is situated only in Pondicherry.

At 12.30pm- meeting with Lt. Governor. Kiran Bedi in her Governor's office in Pondicherry. She spoke the importance of reading the daily newspapers like, the Times of India, Financial Express etc., to update the knowledge on current economic activities and policies of the Government. The career opportunities for economics students like Indian Economic Services, Planning Commission and of the UPSC Examination are also suggested by the Governor.

At 2.30 pm visited to "Ponlite" milk factory and met H.R, and had a discussion about procurement of milk from various societies and its distribution.

The Aurobindo Ashram was visited by the students. The students visited Pondicherry beach and enjoyed the day happily.

The Auro food company situated in Auroville was visited by the students and gained information regarding manufacture of different types of home products. The holy mother Ashram, Auroville (Unity Centre Globe) and a documentary film of globe was viewed by the students. This educational tour promotes the students to enhance their travel knowledge and tour management.
