Dear Sir,
Warm Greetings! As a part of the curriculum, we, the department of Economics, like to give an exposure to the students on the functioning of an industry. In this regard we (92 students and 9 faculty) would like to visit your company on 30.09.2022. I request you to grant us permission for the same.

Beneficiaries: 92 Students of Department of Economics

Report

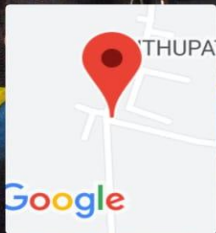

Naga Limited - Manufacturer of minerals, calcite powder & gypsum powder in Dindigul, Tamil Nadu hence conducted a one-day industrial visit for the students of Department of Economics, Sri GVG Visalakshi College for Women (Autonomous), Udumalpet, on September 30, 2022. The purpose of this industrial visit was to go beyond the classroom by giving students a practical view of the working world, a chance to interact and learn practically, and exposure to current work practices. It was our first industrial visit and my experience was awesome. I got to see the manufacturing unit and I closely saw how the product was made. The effort you put in for us was very incredible, including setting up refreshments at Naga Chocolate Fill. Mr. Arumugam, the Naga Food Products' Grand Marketing Manager. His discourse was informative and gave a wealth of knowledge about Naga product. Finally, the entire team interacted with us with no hesitation and with full enthusiasm. Students had a great time participating in the quiz game competition you set up for them. Seven of the students who won the tournament received gifts of 5 kg of wheat flour. Thanks for the entire team for your work and making our visit a memorable experience and I appreciate the opportunity to visit the Naga Food Productions and the support of our HOD Madam and Faculty Members.
