Objective:

- i. Impart practical knowledge about the basic legal rights and remedies provided under various women related laws, thereby making them fit to face the challenges in real life situations.
- ii. To create awareness about the various machineries/organs of the Justice delivery system available for redressal of their problems/grievances.
- iii. The role of Courts in achieving gender equality, most importantly the concept of Public Interest Litigation.

The awareness programme aims to empower women and girls with the knowledge of their legal rights and duties, ultimately to be able to share power equally, gain full access to the means of development and to inspire a whole.
