# GENDER INEQUALITY ISSUES IN INDIA

The Webinar Series on “**Gender Issues**” was organized by the Department of Economics, Sri G.V.G. Visalakshi College for Women (Autonomous) from 18-20/05/2021, through video conferencing using Microsoft Teams platform.

The aim was to provide an awareness about the persisting gender issues and how to face it. A total of **180** participants comprising students from various departments of the host institution, students from other colleges, faculty members from our college and other colleges attended the Webinar.

The Webinar started at 10.30 a.m. with welcome to the Resource Person, Dr. R. Asokan, Associate Professor of Economics, Government Arts College (Autonomous), Salem and participants by Dr. M. Radha, Head & Associate Professor of Economics. She also introduced the Speaker.

The speaker explained the various gender inequality issues in India and its various forms. The problems, mental agonies and the distress faced by women due to partial treatment was elucidated. Girl children and women undergo emotional, psychological, verbal, economic abuses. He elaborated the several steps taken by the government. He reiterated that the students should study well and take up self-employment. He gave examples of successful entrepreneurs who started from scratch. He motivated the participants to be self- confident and self-dependent. Education, health and entrepreneurship with perseverance, and training can bring the world into their hands.

In the interactive session, the clarifications and queries of the participants were addressed by the Resource Person. The programme ended with the concluding remarks and Vote of Thanks by Dr. R. Rajini, Associate Professor.

The programme was coordinated by Dr. R. Rajini.
