Peria Ivar Malai (The Hill) near Pappanpatty is located in Palani Taluk, Dindugal District of Tamilnadu State in India. The Hill is geographically located at latitude 10°20'0" and Longitude 10°08'0". It is 22 kilometers away from the college.

Arutprakasa Vallalar Ramalinga Adigal created renaissance in the life of the Tamil people. He gave new definition to spirituality. It is believed that he lit a lamp on this hill. Every month, on Amavasai (the lunar phase of the New moon) people gather to the top of the hill, recite hymns and offer prayers.

It is spiritual and natural rock climbing site. It was an adventure trip in nature. It was similar to a trekking and a challenge for them to reach the top of the hill. The new exciting experience broadened their horizons making a perfect day.

The experience was an achievement with lots of fun and great feeling. Ultimately, there was a sense of accomplishment.
