

DEPARTMENT OF MATHEMATICS

EXTENSION ACTIVITY

22.11.21

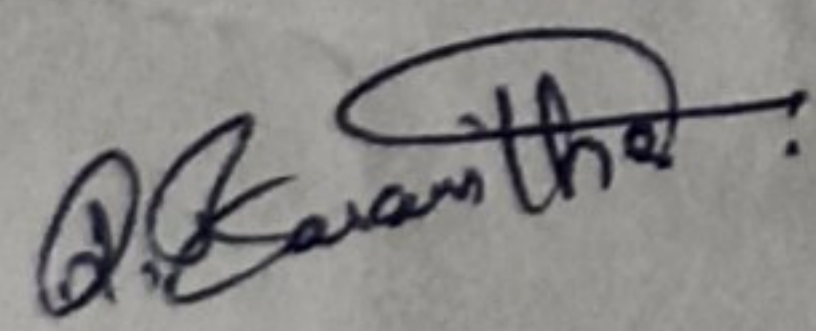

The Department of Mathematics (Aided) in association with the <sup>NGO</sup> Community Health and Development Programme, Udumalpet, has organized an one day awareness programme as extension activity on 22/12/2021 regarding "Tamil Nadu Labour Welfare Schemes" for the construction labourers and unorganized labourers in Salaiyur village, Thennappati Panchayat, Udumalpet.

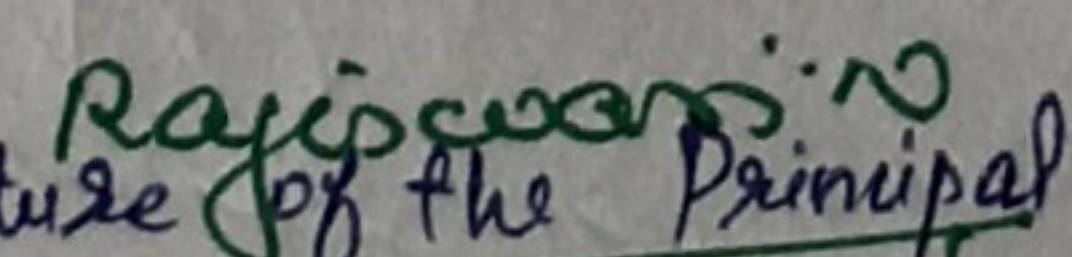

The Objective of this scheme is to uplift the living standards of the workers and their family members by way of providing them adequate welfare measures.

The main benefits includes educational Scholarships, Marriage assistance to the children of the workers and accidental death assistance. All the details regarding the scheme were explained to the participants and follow up measures are taken to facilitate the beneficiaries to receive the benefits of various schemes.
