

DEPARTMENT OF MATHEMATICS

SCIENCE POPULARIZATION PROGRAMME

17-03-2022 & 18-03-2022

The Department of Mathematics and the Bannari Amman Institute of Technology, Sathyamangalam jointly organized "Science Popularization Programme" on 17-03-2022 & 18-03-2022 at our college premises in which the other science departments (Physics, Chemistry and Zoology) also participated. The District Educational Officer Mr. K. Palanisamy was the chief guest of the day.

The objective of this programme is to popularize the basic scientific concepts through models and practicals demonstration for the school students. Schools in and around Udumalpet were invited for the event in which a total of 920 students from seven schools visited our college and 15 faculty members accompanied them. Students of the mathematics department presented different types of models like Wooden cubes, Perpendicular Pole, Algebraic Balance Scale, Stringways Board, Pulley coordinates, Dice on the Floor, Bridge - Pythagoras etc. and made a demonstration by explaining the concepts on calculating the shortest route, balancing the unknown variables, fixing pole perpendicular with coordinates, finding factors and place value of numbers etc. All the students actively participated and thoroughly enjoyed the event. Also, our Honorable chief guest surveyed the entire models and took details from the respective students about each of their models.
