Department of Physics

Sri GVG Visalakshi College for Women, (Autonomous) Affiliated to Bharathiar University Re- Accredited at A⁺ Grade by NAAC (Fourth Cycle) An ISO 9001:2015 Certified Institution Udumalpet - 642128, Tamilnadu

Webínar Report

Campus to Corporate

Mr. Sampath Kumar

Head, Training and Development Section, Roots Industries India Limited, Coimbatore

on 8th January 2021, 10.30 A.M. to 12.00 P.M.

(Funded under DBT-Star College Scheme)

Organized by

Department of Physics

Sri G.V.G Visalakshi College for Women

Udumalpet – 642 128

Tamilnadu

Report

Invited Lecture Date : 08.01.2021 Platform: Zoom Agenda : To metime the Us physics Grudents to develop their enperimental Skills Minutes of the Meeting: Guust lecture was Conducted for II and II B.Sc Physics Students on 08.01.2021 Through online mode due to Covid 19 paratenic, Mr. Sampth kunze Head, Training and Development Section, Rook Industries put Itd., Colmbodore was the resource person B3 Students B Sc Physics Students "were attended the meeting and bouchited. The Rescored person explained the following * The principle of Working of an organisation Way of Implementation, Sources of Snow materia and Preducts Belinds and These following * Individual Contribution to own nation by obeying the aufor and Regulation # How to apply physics concept and analysis the Physics Concept in every dayle life * clarification of Gene concept behind walk, Camin in human body - Eye is referred as camera because of Similan principles, Physics in Interned (Mro-DEM), Wave mechanics and Nowtonian law Finally he Concluded that Physics is the fundamental of the Sciences and it teached is to Think Also Physics Gives in a new apprecieto of World aread us and he insided		125
Pletform: Zoom Agenda: To metirale the Us physics Students to develop their enperimental Stills Minutes of the Meeting: Grant lecture was Conducted for II and II B.Sc Physics Students on 08.01. 2021 Through online mode due to lovid 19 pandemic. Mr. Sampth Kuma Hoad, Training and Development Beckin, Roots Industries put 11 d. Combotore was the resource pose. B3 Student B Sc physics Students 'were attended other meeting and benefited. The Resource person explained the fellowing * The principle of working of an organisation Way of Implementation. Sources of State materia and products bekinds all these, human Suscences Stathen than mechanics. * Individual Contribution to our nation by obeying the subes and Regulation # How to apply physics concept and analyse the physics Concept in every day's life. * clarification of Some Concept behind Walk, Camin electrical equipment. Energy Conversione, physic in human body - Eye' is referred as camera because of Similar Principles, Physics in Tatemed (Mo-DEM), Wave mechanis and Newtonian law	Invited Lecture	
Platform: Zoom Agenda: To motivale the Ull physics Gudenti to develop their enperimental Skills Minutes of the Meeting: Guust lectrore was Conducted for II and II B.Sc Physics Student on 08.01.2021 Through online mode due to lovid 19 pardemic. Mr. Sampth Kuma Head, Training and Development Section, Roots Industries put 11d. Colmbatore was the resource poses B3 Student B.Sc physics Students 'were attended the meeting and benefited. The principle of working of an organisation Way of implementation, Sources of State materia and products Belivation of use nation by obeying the subs and Regulation # How to apply physics concept and analyse the physics Concept in every day's life. # How to apply physics concept behind Walk, Camin electrical equipment. Energy Conversions, physics in human body - Eye' it referred as camera because of Similan principles, physics in Interned (Mo-DErn), Wave mechaniss and Newtonian Law	Date: 08.01.2021	
Advelop Thir experimental Skills Minutes of the Meeting: Grunt lectore was Conducted for Ti and T B. Sc Physics Student on 08.01. 2021 Through online mode due to lovid 19 pandemic. Mr. Sampth kuma Head, Training and Development Section, Roots Industries put etd. Coimbatore was the resource pers. B2 Student B Sc physics Student were attended the meeting and benefited. The Resource person explained the following * The principle of working of an organisation Way of implementation, Sources of raw materia and products bekirds all These, human Presources 9 sathea than mechanises. * Individual Contribution to own nation by obeying the subes and regulation # How to apply physics concept and enelyse the physics Concept in every day's life * clarification of Some Concept behind walk, famil electrical equipments Energy Conversione, physic in human body - Fye' & referred as camera because of Similan principles, physics in Interned (Mo-DErn), Wave mechanis and Newtonian Law	platform: Zoom	
Advelop Thir experimental Skills Minutes of the Meeting: Grunt lectore was Conducted for Ti and T B. Sc Physics Student on 08.01. 2021 Through online mode due to lovid 19 pandemic. Mr. Sampth kuma Head, Training and Development Section, Roots Industries put etd. Coimbatore was the resource pers. B2 Student B Sc physics Student were attended the meeting and benefited. The Resource person explained the following * The principle of working of an organisation Way of implementation, Sources of raw materia and products bekirds all These, human Presources 9 sathea than mechanises. * Individual Contribution to own nation by obeying the subes and regulation # How to apply physics concept and enelyse the physics Concept in every day's life * clarification of Some Concept behind walk, famil electrical equipments Energy Conversione, physic in human body - Fye' & referred as camera because of Similan principles, physics in Interned (Mo-DErn), Wave mechanis and Newtonian Law	Agenda: To motivale the UG physics an	dante to
Guust Lechore was Conducted for Ti and T B. Sc Physics Students on 08.01.2021 Through online mode due to Covid 19 pandemic. Mr. Sampth kume Head, Training and Development Section, Roots Industries put 1td. Colmbatore was the suscence perce B3 Student B Sc physics Students were attended the meeting and benefited. The Resource person explained the following * The principle of working of an organisation Way of implementation, Sources of Saw materies and products Belinds all these, human Gresources Grather than machingers. * Individual Contribution to own nation by obeying the sules and gregulation # How to apply physics concepts behind walk, hamin electrical equipments Energy Conversione, physic in human body - Eye' is referred as camera because of Similar principles, physics in Interned (Mo-DEM), Wave mechaniss and Newtonian Law	develop their experimental Skill	s
Guust Lechone was Conducted for Ti and T B. Sc Physics Students on 08.01.2021 Through online mode due to Covid 19 pardemic. Mr. Sampth kume Head, Training and Development Section, Roots Industries put 1td. Combatore was the suscence perce B3 Student B Sc physics Students were attended the meeting and benefited. The Resource person explained the following * The principle of working of an organisation Way of implementation, Sources of Sant materia and products Belinds and These, human Presources Stather than mechinaesies. * Individual Contribution to own nation by obeying the emply physics concepts and energyse the physics Concept in every day le life * classification of Same concepts behind walk, Camic electrical equipments Energy Conversione, physic in human body - Eye' is referred as camera because of Similar principles, physics in Interned (Mo-DEM), Wave mechaniss and Newtonian Law	Minutes of the Meeting	
B.Sc Physics Students on 08.01.2021 Through online mode due to lovid 19 pardemic. Mr. Sampath kuna Head, Training and Development Section, Roots Industries per 21d. Coimbatore was the pressure person B3 Student B.Sc physics Students were allended the meeting and benefited. The Resource person empleined the following * The principle of working of an organisation way of implementation, Sources of raw materia and products Bekirds all those human resources grather than mechinaesics. * Individual Contribution to our nation by obeying the emply physics concepts and employe the physics Concept in overy day's life * clarification of Some Concepts behind walk, hamis electrical equipments Energy Conversions, physic in human body - Eye' is referred as camera because of Similar principles, physics in Toterned (MO-DEM), Wave mechaniss and Newtonian law	Gruest lectione was Conducted for	Ty and TI
online mode due to Covid 19 pandemic. Mr. Sampath kuma Head, Training and Development Section, Roots Industries put Itd., Coimbatore was the resource pose. B3 Student B. Sc physics Students 'were attended the meeting and benefited. The Resource person empleined the fellowing * The principle of working of an organisation way of implementation, Sources of Frant materia and products bekirds all those, human Fresources 9 sather than 'machinaeiles. * Individual Contribution to our nation by obeying the surface and frequlation # How to apply physics concepts and enelyse the physics Concepts in every day's life * clarification of Some concepts behind walk, hamin electrical equipments Energy Conversions, physic in human body - Eye' is referred as camera because of Similar principles, physics in Interned (MO-DEM), Wave mechanics and Newtonian Law-	B.Sc physics Students on 08.01.2021 The	rough
Head, Training and Development Section, Roots Industries put Itd. Coimbatore was the resource pose. B3 Student B Sc physics Students were attended the meeting and benefited. The Resource person empleined the following * The principle of working of an organisation Way of implementation, Sources of reave materies and products the kirds all These human resources grather than mechinaeics. * Individual Contribution to own nation by obeying the eules and regulation # How to apply physics concepts and enalyse the physics Concepts in every day's life * clarification of Rome concepts behind walk, hamin electrical equipments Energy Conversions, physic in human body - Eye' is referred as camena because of Similar principles, physics in Interned (MO-DEM), Wave mechanics and Newtonian Law-	online mode due to Covid 19 pardemic Mr.	Sampath Kumas
Doductries pvt Itd., Coimbatore Was the Resource pose B3 Student B. Sc physics Student were attended the meeting and benefited. The Resource person explained the following * The principle of working of an organisation Way of implementation, Sources of Staw materies and products Kekirds all these human Stesources Stathes than machinacies. * Individual Contribution to our nation by obeying the sules and stegulation * How to apply physics concepts and enalyse the physics Concepts in every dayle life. * clarification of Some concepts behind Walk, Camie electrical equipments Energy Conversions, physic in human body - Eye' is referred as camera because of Similar principles, physics in Interned (MO-DEM), Wave mechanics and Newtonian Law	Head, Training and Development Section.	Roots
 Student B. Sc physics Students were attended the meeting and benefited. The Resource person emplained the following The principle of working of an organisation Way of implementation, Sources of new materies and products the kirds all these, human presources grather than machinadies. Todividual Contribution to own nation by obeying the surface and regulation Y How to apply physics concepts and energy and physics concepts the every day to like * clarification of Some concepts behind walk, Camie electrical equipments Energy Conversions, physics in human body - Eye' is referred as camera because of Similar principles, physics in Toterned (MO-DEM), Wave mechanics and Newtonian Law 	Industries put Ltd, Coimbatore was the re	source perso
the meeting and benefited. The Resource person emplained the following * The principle of working of an organisation Way of implementation, Sources of new materia and products Bekirds all these, human resources grather than machinaeries. * Individual Contribution to own nation by obeying the surface and regulation * How to apply physics concepts and analyse the physics concept in every day's life * clarification of Some concepts behind walk, Camie electrical equipments Energy Conversions, physic in human body - Eye' is referred as camera because of Similar principles, physics in Interned (MO-DEM), Wave mechanics and Newtonian Law	B3 Student B Sc physics Students were	attended
The Resource person explained the following * The principle of working of an organisation Way of implementation, Sources of more materia and products the kirds all these human mesources grather than machinavies. * Individual Contribution to own nation by obeying the surface and regulation * How to apply physics concepts and energise the physics Concept in every day's life * clavification of Some concepts behind walk, Camin electrical equipments Energy Conversions, physic in human body - Fye' is referred as camera because of Similar principles, physics in Interned (MO-DEM), Wave mechanics and Newtonian Law	the meeting and benefited	
 the principle of working of an organisation Way of implementation, Sources of read materia and products Kelvids all these human resources grather than machinaries. Individual Contribution to our nation by obeying the sules and regulation How to apply physics concepts and analyze the physics Concepts in every dayle life. I clarification of Some concepts behind walk, hamie electrical equipments Energy Conversions, physics in human body - Eye' is referred as camera because of Similar principles, physics in Internet (MO-DEM), Wave mechanics and Newtonian Law 	The Resource person explained the follow	sing
and products bekirds all these, human presources grather than machinaries. * Individual Contribution to own nation by obeying the sules and regulation * How to apply physics concepts and analyse the physics Concepts in every day's life * clarification of Some concepts behind walk, hamin electrical equipments Energy Conversions, physic in human body - Eye' is referred as camena because of Similar principles, physics in Internel (MO-DEM), Wave mechanics and Newtonian Law	* The principle of working of an org	anisation
And products behinds all these, human Presources grather than machinavies. * Individual Contribution to own nation by obeying the scales and gregulation * How to apply physics concepts and analyse the physics Concepts in every day's life * clavification of Some concepts behind Walk, hamin electrical equipments Energy Conversions, physics in human body - Eye' is referred as camera because of Similar principles, physics in Internet (MO-DEM), Wave mechanics and Newtonian Law-	Way of Implementation Sources of 91	aut materia
9 a then than machinacies. * Individual Contribution to own nation by obeying the scales and regulation * How to apply physics concepts and analyse the physics Concepts in every day's life * clarification of Some concepts behind Walk, hamin electrical equipments Energy conversions, physic in human body - Eye' is referred as camena because of Similar principles, physics in Internel (MO-DEM), Wave mechanics and Newtonian Law	and products Bekinds all these human	resources
* Individual Contribution to our nation by obeying the sures and regulation * How to apply physics concepts and analyse the physics Concepts in every day's life * clarification of Some concepts behind Walk, hamin electrical equipments Energy conversions, physic in human body - Eye' is referred as camena because of Similar principles, physics in Internel (MO-DEM), Wave mechanics and Newtonian Law	grather than machinadics.	
The diales and stegulation # How to apply physics concept and enalyse the physics Concept in every day's life # clarification of Some concept behind walk, hamic electrical equipments Energy conversions, physics in human body - Eye' is referred as camena because of Similar principles, physics in Internet (MO-DEM), Wave mechanics and Newtonian Law		obering
# How to apply physics concept and analyze the physics Concept in every day le life * clarification of Some concepts behind Walk, hamin electrical equipments Energy conversions, physic in human body - Eye' is referred as camera because of Similar principles, physics in Internel (MO-DEM), Wave mechanics and Newtonian Law	the sules and regulation	
Physics Concept in every day le life * clarification of Some concepts behind walk, Camie electrical equipments Energy Conversions, physic in human body - Eye' is referred as camera because of Similar principles, physics in Internet (MO-DEM), Wave mechanics and Newtonian Law	* How to apply physics concepts and and	so the
* clarification of Some concepts behind Wall, Camie electrical equipments Energy Conversions, physic in human body - Eye' is referred as camera because of Similar principles, physics in Toterned (MO-DEM), Wave mechanics and Newtonian Law	physics concept in overy dayle life	
In human body - Eye is referred as camera because of Similar principles physics in Internet (MO-DEM), Wave mechaniss and Newtonian Law	* clarification of Some concepts behind !	Walk Comi
In human body - Eye & referred as camera because of Similar principles physics in Internet (MO-DEM), Wave mechaniss and Newtonian Law	electrical equipmente Energy Convension	During dancing
(MO-DEM), Wave mechanics and Newtonian Law	is human body - Eye' is referred	one, prysic
(MO-DEM), Wave mechanics and Nowtonian Law,	because & Similar principles plane	in Taken A
Finally he concluded that physics in the fundamental of the Sciences and it teaches us to think. Also physics gives us a new	(MO-DEM), Wave mechanics and Nowto	nian Law
is the fundamental of the Sciences and it teaches us to think Also physics gives us a new	Finally he concluded that	Physics
us to think. Also physics gives us a new	is the fundamental of the Sciences and	it teaches
appreciation of shall give us a reas	us to think. Also physics aires will	new
upper ust on of world annual us and the insutod	appreciation of World annual us and h	e insisted

127 Physicist to implement the physics knowledge in industrial opcientation. Students interacted well with the presource person and clarified their doubte. Stram B. Hul Dept. Co-ordinator. . HOD Dr.S.ARAM, M.Sc., M.F.Bil, PGDCA, Ph.D., Mrs.B.NIRMALA Associate Professor of Physics, Head of the Department of Physics Sri G.V.G. Visalakshi College for Wome<mark>fri GVC Visalakshi College for Womer</mark> Autonomous Advision to Sharathiyar University, Udumalpet, Tamilnadu - 642128 Udumalpet- 642128, Truppur (DC), TN.
