Report of Two Day Hands-On Training on Fault finding and Trouble Shooting in Smart Phones

Date: 22.12.2022 & 23.12.2022

Time: 9.30am - 3.30pm

Department of physics has organized Two Day Hands on Training on fault finding and Trouble Shooting in Smart phones under DBT Star College Scheme during 22.12.2022 & 23.12.2022.

Day I: In the forenoon session, Mr. Kauthick, Service Engineer, New Technology, Coimbatore briefly explained about basic Electronic concepts, Parts of Mobile phones, Components used in Mobile phones and Softwares used in Phones.

In the afternoon session, trainers showed live demo followed by hands on Training related to

- ⇒ Hardware Connection in mobile Phone
- ⇒ how to check active & passive components of mother board
- ⇒ how to check speakers using multimeter
- ⇒ Technical Solutions for the problems encountered

Day II: The topics covered in the second day of Hands on Training are

- ⇒ Disassembling and assembling of Mobile Phones
- ⇒ Identified and trouble shot the problems in mobile phones
- ⇒ Bootstrap the mobile batteries
- ⇒ Soldering techniques & assembling of parts in Mobile phones.

Finally the Hands on Training was ended with Validictory function. Mr. B. Kaishnakumar, Managing Director, New Technology, Coimbatore has delivered the validictory address.

No. of Beneficiaries: 50

B. N. N. 23/12/22.

Hands on Training on Fault Finding
and Trouble shooting in Smart Phones

The workshop was very refreshing and interactive. It was very interesting and we gained more basic knowledge on parts of mobile phones. I came to know about dismantling the mobile and tools necessary for them. I feel confident in applying this approach to different situations that come knocking at my door. It was very valuable and useful training. Thankyou for giving us this valuable sessions.

Hands on Training on Fault Finding
and Trouble shooting in Smart Phones

The workshop was very refreshing and interactive. Presentation were interesting and we gained basic knowledge on parts of mobile phone. I came to know about dismantling the mobile phones and tools necessary for them. I learned the causes for the usual troubles in mobile and how to rectify the problem in home. It was very valuable training and I really enjoyed it.
