Report

The Department of Physics organized an online invited talk on “**Aagalam Abdul Kalam | ஆகலாம் அப்துல்கலாம்**” in remembrance of Birth Day of Bharat Ratna Dr. A.P.J. Abdul Kalam as “Youth Awakening Day” on 14.10.2022. Dr. R.R .Elangovan, **Former ISRO Scientist & Professor**, KCG College of Technology, Chennai, delivered the special address and motivated the students by his eminent speech. The event started with the rendition of the prayer song rendered beautifully by the students of the Department of Physics. It was followed by a rousing welcome address by Dr.M.Nirmala, Assistant Professor of Physics. The Programme was coordinated by Dr.B.Kavitha, Assistant Professor of Physics, GVGVC.

The resource person enlightened “The Life and Achievements of Dr. Abdul Kalam”. Right from his birth at Rameshwaram, every significant moment in his life was delivered with some rare pictures.

In his talk, he narrated

- Kalam as Student, Professor, Missile Scientist, and President
- Kalam's Contribution to Space Research
- Story of Agni missile
- Kalam and Beryllium
- Simplicity, Sincerity, Involvement, hard work, and Time management

He also stated that the life of Dr. Kalam serves to be a perfect example of how a human should develop into an individual and then into an influential leader". All the participants have taken Dr. Abdul Kalam's vision as an Oath. The session was very interesting and more than 100 participants benefited.

Dr. A.Shanmugavani, Assistant Professor of Physics, delivered the vote of thanks. The celebrations of the "Youth Awakening Day" came to an end when everyone stood for the National Anthem, as a silent salute to the great missile man.

Celebration of youth Awakening Day

Photos

This screenshot shows a Google Meet interface. The main window displays a Microsoft PowerPoint presentation titled "STORY OF AGNI". The slide features a large image of the Agni III missile with the text "AGNI III" and "INDIA" on it. The presentation is being shared by ELANGO VAN RAJAGOPALAN. On the right side, there is a grid of participant avatars, including Banumathi Visweswaran, Nirmala Mahendran, aram kamaraj, Dr B Kavitha Karthikeyan, Smart killer, and 37 others. The bottom of the screen shows the Windows taskbar with the time 10:37 AM and date 14/10/2022.

This screenshot shows a Google Meet interface. The main window displays a Microsoft PowerPoint presentation with text in Tamil. The text is a list of points, likely related to the Agni missile program. The presentation is being shared by ELANGO VAN RAJAGOPALAN. On the right side, there is a grid of participant avatars, including Banumathi Visweswaran, Nirmala Mahendran, aram kamaraj, Dr B Kavitha Karthikeyan, Smart killer, and 38 others. The bottom of the screen shows the Windows taskbar with the time 11:06 AM and date 14/10/2022.
