Science Day Celebrations - Auxoxaa '21

National Science Day was celebrated with the objective of commemorating the first Nobel prize in India on science which was achieved by the discovery of Raman Effect by Sir CV Raman. It is also celebrated to emphasize on the culture of science and the application of science for the welfare of people. To mark the celebration of National Science Day, the Department of Physics conducted various competitions on 27.02.2021 at 10 am. However, owing to the pandemic of this year, the celebrations were in online mode.

Dr. S. Aram, Associate Professor of Physics welcomed the gathering and highlighted the significance of celebrating the Science Day. The competitions science quiz, Essay writing, problem solving, Poster presentation and Innovative idea presentation were conducted. Nearly 100 students from various institutions enthusiastically participated in the competitions. Mrs. Joyce Samuel, Assistant Professor of Physics has delivered the vote of thanks. It was indeed a very knowledgeable day in which the main motive was to spread a message about the importance of science used in the daily life of the people.

Outcome: Celebration of National Science Day encouraged the students about high intellectual value of science and to develop science culture.
