National Science Day Celebration

2024

Venue: GVG Auditorium

National Science Day celebration provides an opportunity for the students to recognize the milestones of Modern Science and Technology, the contributions of our Scientists to the world of knowledge. As a mark of science day celebrations by the DBT participating science departments, a series of events were organized from 26th to 28th February 2024.

Department of Physics conducted oral presentation and video making competitions on 26-02-2024 and 27-02-2024.

1). Oral presentation

2). Video making

Topic: "Highlight the importance of home-grown technologies"

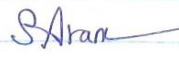

Students enrolled: for oral presentation 5 members and for video making 10 teams.

On March 1st 2024, a magnificent programme has been organized by the DBT participating Science Departments. Dr. R. Rajendran, DBT Mentor, Associate Professor, PG & Research Department of Microbiology, PSG College of Arts & Science, Coimbatore, gave a special address on "Carrier Opportunities in Science", through his talk he motivated the students by:

- * Objectives of Science in day to day life.
- * Applications of basic Science in all fields.
- * Branches of basic Science such as Microbiology, Medical Physics, Astrophysics, Bioinformatics and its developments.

Prizes were distributed to the winners for the competitions conducted.

Dr. R. Rajendran,
DBT Mentor

HOD

Principal i/c

Dept. DBT. Coordinator
Assistant Professor of Physics
