### Hands on Training on Apisary

This training was very interesting and interactive session for us. We learned a lot of new knowledge about Honey Bee. This session is very useful for to become a apiculture entrepreneur in future. The live demo classes are very interactive and gave us more knowledge to rear honeybee.

The information about Kathandu - a type of insects and secreted royal jelly in honeybees head are new and inspiring us. Mr. Issac speaks about our profit and loss experience. A heartfelt thanks you our department to arrange this wonderful session.

Thankyou
