Medical coding

It was so nice and interactive session.
She was so friendly in manner and no hesitation
to ask any queries.
She talks about the exams like CPT, CPT II etc.,
Medical coding has various categories like
Anesthesia, surgery, Radiology, Pathology, medicine
etc., she talks about medical insurance and
foreign countries insurance procedures.
Talks about the companies and its benefits on
local areas. Teaches the coding techniques slightly.
Scope of zoology in medical line also she informs.
Finally it was so nice and need more session.
