1. Webinar on Social Engineering in Cyber World

NATIONAL CYBER SECURITY WEEK

30th OCTOBER, 2021

National Cyber Security Awareness Month (NCSAM) is observed all over the world to raise awareness about cyber security and to encourage people to make a concerted effort to stay safe and secure online. The Department of Computer Applications has taken a tiny step to improve security and implement stronger security safeguards for the students.

During the last week of October 2021, the BCA department held three activities based on this.

1. Webinar
2. Online Quiz
3. Poster Making

1. Webinar :

VIRTUAL WEBINAR ON "SOCIAL ENGINEERING IN CYBER WORLD"

Resource Person : Mr. Vishnuraj,
Security Researcher.

The Webinar started at 10 AM. Ms. D. Sneha of III - BCA welcomed the gathering. Our resource person Mr. Vishnuraj presented an overview of hacking, Ethical Hacking and Social Engineering. The session was split into three phases. He interacted with pupils in the first phase on legal internet access, such as legal age, ethics and guidelines for utilising games and social media platforms. Several casestudies including data retrieval from a GPS tracker, Bluetooth connection and other devices were covered.

In the second phase of the webinar, he illustrated the evaluation of Cyber Crime with various hacking methodologies and the OWASP - Online web Application Security Project. OWASP's top ten Vulnerabilities were discussed. Later in the workshop, he instructed attendees to modify the security settings on their personal cell phones.

In the third phase, he demonstrated how our data is hacked through the GRABIFY IPLOGGER website and how to secure data using VirusTotal Website. He discussed about Diversity of Linux OS, Awareness of Bit.ly links etc., He also gave an eye opening presentation about Government Cyber crime websites which provided the deeper Knowledge of the governments responsibilities taken by the government. The program ended at 12.30 with the vote of thanks by Ms. K. Nithyashree of II BCA.

Outcome:

1. Learned how to utilize GRABIFY IPLOGGER ethically as a hackers.
2. Gain knowledge about how to secure their data over the internet by using virustotal website.
3. Participants changed their phones privacy by switching to developer mode.

Number of Benefitiaries: 124 Participants

2. Online Quiz:

On 30-10-2021, Final year BCA students conducted a virtual Quiz on Cyber Security. They generated online questionnaire using Google forms. For the participants, e-Certificates were also designed and issued.

Number of Responses received: 176

3. Poster Distribution :

Poster distribution is a high-impact revolutionary promotional tool for achieving a maximum population and promoting cyber security awareness. Our students used easy technologies to make an e-poster, which they then circulated to the public via social media.

Number of Posters designed : 7
