

## Department of B.Com (e-Commerce)

Academic Year 2013-2014

### Extension Activity

#### “Awareness programme on road rules, Child labour, Environmental protection”

Students of III B.Com (e-Commerce) has visited P.U.Middle School, Dhali on 11-10-2013. They actively participated in teaching the school students from I std to VIII std. The students were interested in knowing various aspects related to the topics that are taken by our student. They clarified doubts then and there. They felt that the class was very useful and requested our student to take some other new topics that are useful to them.

#### Topics:

- Road rules
- Child labours
- Environment protection
- General knowledge
- Current affairs
