Path to financial Planning

Ashok V.

- The time to start planning is now. Get started.
- Invest in less risky products for short term goals and for long term goals one may invest in riskier products
- For retirement, invest in the stock market with a long -term view. Monitor and be patient.

Mohan feels angry with himself that he has not realized this 5 years ago and lost valuable time

Meghna Bose

Meghna is a dynamic & results driven professional with around two decades of experience across diverse areas of Human Resource Management & Experiential Marketing. Prior to her current role as Director, Customer Relations with Eficaz Skill Development, a learning & development organization which aims to create a positive impact through their learning initiatives, she was working with several firms like LXL Ideas, Red Entertainment, Bharti Airtel Ltd. and the like.

She has worked on projects involving both high level strategy and ground level execution. A people's person with operational understanding and effective stakeholder management, she has always ensured optimal business impact in every domain she has worked, be it Events or HR. With an eye for detail, her core competence lies in ensuring end to end management of projects delivering excellence and making a lasting impact.

With an MBA degree from Pune, she dons many hats as an anchor, emcee, trainer and is a fantastic singer. An eloquent speaker with a voice brimming with a vibrant life force that can lift up spirits of everyone she encounters. She gives her 100% to everything and can keep audiences engaged and enthralled throughout the interaction. She also has a fine understanding of the financial market and is a SEBI SMART certified trainer & has been successfully delivering Investor Awareness Programs for many institutes & corporate over the last few years.
