Feedback

**PANCHAYAT UNION MIDDLE SCHOOL,  
CHINNAVEERAMPATTI.**

Department of Computer Science, Sri G.V.G. Visalakshi college for women – Udumalpet in collaboration with “ Rotract club of Pollachi Green Paradise” – Parented by Rotary Pollachi - organized an extension activity about “ Mobile Phone Security Awareness, Kaaval Udhavi App” in our school on 13.04.2022. The demo given by Computer Science students is very useful for our school students to protect them from Mobile threatening.

The PowerPoint presentation is very useful for our students. (e.g) Cyber security and Mobile phone security. The explanation of difference between Healthy foods and Junk foods is so nice. It creates so much awareness among the students.

Our children enjoyed the programme of computer related puzzles and games. The Yoga activities are so good. Overall we appreciate and thank Department of Computer Science for this awareness program.
