Feedback

The New Technology Mobile servicing & Training Institute provides us a troubleshooting on mobile servicing. It was so helpful we learned a lot of minor mistakes in mobile phone and our guide explains so well about mobile troubleshooting.

So thank you for giving this precious two days for troubleshooting we have learned a lot about battery boosting, about multimeter to check the battery value.

New technology mobile servicing & Training.

As this class was organized by our department for two days about mobile servicing & training. This class was very useful through ~~this~~ we gain some knowledge to work on phone and we learn about the mobile parts and how to sort it it was very useful.

M. Kaliswari
