

Department of Economics with Logistic and Fright Management

Guest Lecture on Advancement in Logistics Management

27.02.2019

Mr. Sumesh Chandran as a resource person from JCI, Pollachi on 27.02.2019 in the gallery room between 10 AM to 12.30PM. Addressed 46 students of logistics and PG Economics.

In this presentation he expressed and shared his experience and the knowledge which he gains through his academic experience.

The role of globalisation 3PL, 4PL, and 7PL logistics management was explained..He insisted more concepts related to a supply chain management and total quality management.

He expressed and motivated the students to read more books and tap the updated knowledge on logistics management.

He showed latest videos about logistics management. Creativity is essential part of every individual's actions and activities. So that will promote their capacity to lead their life both internally and internationally.

Evidences and snap shots were really attractive and he gave tips to do to lead a healthy life in the form of exercise and meditation.
