REPORT

The Green Initiatives & Environmental Club, in collaboration with the Entrepreneur and Skill Development Cell and the Women Studies Centre, organized the Eco-Friendly Expo - 2022 on September 23, 2022. The program's goal is to encourage our faculty and students to purchase and include eco-friendlier products in their daily lives. Our revered Madam Principal, Dr. N. Rajeswari, inaugurated the function by 10.30 am, and all the faculty members and students supported the expo by purchasing products. Plenty of eco-friendly products are displayed for sale. Attractive handmade products, Terracotta, and other bamboo products fascinated the attention of buyers. The support from the faculty, students, and administration made the program successful.
