REPORT

Green Initiatives & Environmental Club associated with Consumer Awareness Club jointly organized "Art Fest- 2022 From Waste" on behalf of the Green consumer day Celebration. The program's goal is to encourage our students to make artistic products from waste materials. Almost 100 products are made by our students and displayed for sales. Our revered Madam Principal, Dr. N. Rajeswari inaugurated the function, and all the faculty members supported the sale by purchasing them from the students and made the programme successful.
