World Forest Day -  
Morning Assembly Speech.  
21/3/2022

Role of Students in the Conservation of Trees.

To motivate the students towards conservation of trees, a talk was given on "Role of students in the conservation of trees" during Morning Assembly on 21/3/2022 by Mrs Palpanthiamma, III BSc Chemistry.

She has talked about the destruction of forest by paper pulp mills and how recycling of paper reduces the deforestation. She has insisted the students to use recycled paper or to reduce the use of papers by using electronic memory.

This talk was an highly inspirational, and students were able to know their roles and responsibilities in sustainable environment.

(Approximately 2000 students have attended morning assembly)
