(2021-2022)

Seminar On  
 "Safety measures and Conservation of LPG."

Date: 16/11/2021

Seminar on "Safety measures and Conservation of LPG" was organised on 16/11/2021. This was jointly organised by Petroleum Conservation Research Association and Green Initiatives and Environment Club. The talk was given by A. SHEIKDEEN, External Faculty, Southern Region, PSRA, Chennai, at Assembly Hall at 1.30 - 3.30 P.M. The programme started with prayer, & Welcome address by Dr. K. Shobana (Convener). 39 students from various departments has actively participated and interacted with Resource person. In Seminar the introduction and history of Petroleum and its usage, byproducts, Conservation of Petroleum and LPG was discussed. The safety measures to be taken during using these products were also discussed.

This programme was an eye opener for the students and they came to know about the importance of saving fuels and that should be reflected in attitudes and behaviours. They have replied to the questions raised by Resource person, and three active participants were awarded with shields. The Vote of thanks was delivered by Mrs Helen Cyrothiya.
