Department Of Computer Science

Annual Report on Extension Activities for the Academic Year 2020-2021

The following are the extension activities undertaken by the students of III B.Sc Computer Science 'B' during the Academic year 2020 – 2021.

- Online societal oriented activities

School Activities

Under the Extension activity, Department of Computer Science adopted the village Vayalur.

- 5 students from III B.Sc Computer Science conducted an extension activity on “Online societal oriented activities” for Vayalur village people in Pushpathur Panchayat, Palani taluk on April 2, 2021.
- Nearly 30 people attended and benefited through this program.
- Our students conducted various activities in the village such as
 - Computer Basic (Demo)
 - Internet and E mail Usage
 - Online Transaction

and also explained the usage and working of the computer. Peoples learned and enjoyed the class. The class was very interactive.

Letter of Recognition

Feedback

The session was very much interactive and useful we have gathered many information regarding online accessing such as e-communication, e-commerce etc., and how to handle the fraudulents and Spams. we are very much keen in learning new technologies and updations in further sessions if possible.
