Activity: ISRO Science and Vedic Mathematics Date: 30.12.2023

Our College organized TNSEST Young Student Scientist Programme 2023 from 27.12.2023 - 10.01.2024. During the Young student Scientist Programme on 30.12.23 Our III - B.Sc Mathematics students took classes for the 75 students of 9th standard from Tirupur and Karur district.

Vedic Mathematics for finding addition, Subtraction, Multiplication, division, Squares and Square roots was taken by S. Bhavadharani of III - B.Sc Mathematics.

The application of Mathematics in various fields like ISRO, CSIR Labs and Engineering fields are explained by R.S. Harini of III - B.Sc Mathematics. She also demonstrated about graph functions by play way method such as dancing.

J. Karthika of III - B.Sc Maths conducted the Math games to the school students.

Students enjoyed the session and can understand the concepts of Mathematics in easy way. Also the school students prepared models in Trigonometry Algebra and Geometric shapes etc.,
