place: SVG Higher Secondary School      Date: 23.02.2024  
Activity: Distribution of 12<sup>th</sup> Maths Formulae

The higher Secondary School students felt that Mathematics was a tough subject and this was due to the impact of corona. So to overcome the difficulty, our III - B.Sc Mathematics students prepared 12<sup>th</sup> standard Mathematics formulae handouts and distributed them to 101 (11<sup>th</sup> and 12<sup>th</sup>) students of Sri Visalakshi Girls Higher Secondary School, Udumalpet.

Also our students gave tips to the school students to memorise mathematical formulae so as to enable them to solve the problems confidently using the formulae.

The school students said that the formulae handouts will be useful to prepare for their upcoming public examinations.
