Madam,

Further to your intensive training conducted by National Institute of Securities Markets (NISM) during October 29-Nov 01, 2017 and subsequently being certified by SEBI as Financial Education Trainer, you are called upon to spread financial education by conducting workshops as per the guidelines enclosed.

As the statutory protector of interest of investors in securities market, SEBI endeavors to educate them, as, "an educated investor is a protected investor". Apart from investor education, financial education is also considered important; financial education is an important life skill, which empowers people to make sound financial decisions and take responsibility for the same.

Accordingly, SEBI's financial education workshop endeavors to impart participants with a better understanding of financial products to equip them to better manage their finances and covers the following topics:

- Introduction to Savings and Investments
- Basics of Budgeting, Inflation effects on Investments, Risk and Return, Power of Compounding and Time Value of Money
- Choosing the Right Investment Options
- Asset Allocation Strategy and various products available
- Investor Protection and Grievances Redressal Mechanism.

In line with the guidelines (enclosed), you are exhorted to conduct requisite number of financial education workshops, in any host Institution / Organisation for any of the target groups, namely,
