

Faculty Development Cell

Standard Operating Procedures (SOP)

- Sri GVG Visalakshi College for Women has formed a Faculty Development Cell with an aim and objective to promote faculty vitality as the main ingredient to the growth of the institute, enhance professional education and competence.
- Sri GVG Visalakshi College for Women strongly believes that faculty members are the backbone of our Institution. Faculty Development Cell aims at equipping the staff with knowledge that is essential for inculcating core and professional skills which is vital to the development and improvement of the institution.
The immediate beneficiary of this kind of program is the student community.
