IQAC coordinator message

The establishment of an internal quality assurance cell is a step towards excellence. The IQAC of Sri G.V.G. Visalakshi College for Women organizes a variety of Programmes for faculty, administrative staff and members of the quality circle. It holds an open forum to facilitate communication between students and college officials. It conducts staff assessments to provide valuable feedback for quality maintenance and improvement in the college's teaching, learning, and research experiences. It documents and reports on various college activities for various higher education requirements. The college's infrastructural resources have been continuously monitored to ensure adequate, appropriate, and improved facilities to ensure a conducive and enabling environment for teaching, learning, and research. Through all of these measures, IQAC is one of the critical components of the college, ensuring long-term quality and continuous improvement in all aspects of the college
