Suggestions and Recommendations:

1. To accommodate the latest TANSCHE scheme from the forthcoming academic year 2013-14 for the UG, the following suggestions were prescribed in the Board.

a) Two practical sessions in the even semester each session with 150 minutes @ 50 minutes/period by which an extension of one more laboratory session during the I year and II year respectively.

b) During the III year the extension of laboratory space is required additionally to accommodate the conduct of the laboratory/projects with additional laboratory equipments.

2. The Practicals prescribed may be up to a minimum of 18 experiments both for core and allied subjects.

3. For PG, The course contents under the subject heads classical mechanics and Mathematical Physics I & II are to be reshuffled and renamed as Classical Mechanics (core I) and core II Mathematical physics separately to be offered in the I semester and Quantum mechanics to be offered in the II semester.

4. The minimum number of experiments per semester to be offered as 12 in the PG programme.

5. Procurement of Thin film coating unit for the purpose of performing experiments/projects.

6. Books for reference with foreign authors may be purchased.

Dear Madom,

My Greetings and thanks.

I have gone through the curricular scripts you have prepared related to the B.Sc. and M.Sc. programmes. Really it is well prepared and highly appreciable.

I have corrected some typographical errors along with the following.

(i) "Viscosity of gases and kinetic theory of gases" gets repeated in Unit III of 'Core II Properties of Matter and Sound' paper (already there in Unit I of Core I paper). So, I have deleted that in Core II paper for the B.Sc. Physics programme. Also, I have added 2 more points in Objectives to fit well for the Core II paper.

(ii) I have modified the Objectives for the Allied I Physics paper for B.Sc. Chemistry and Mathematics programmes.

(iii) I have added the minimum requirements of experiments for the Practicals I and II for the M.Sc. programme.

Hope these will be accepted.

I am sorry to mention that I am unable to attend the Meeting scheduled on May 23, 2013 at your College as I have some family inconvenience. Please kindly bear it.

My best wishes for your new M.Sc. Programme.

Please find as attachments the curricular scripts with minor modifications made by me.
 Thank you again.

HCL, Analyst G11 Plot No: 262
Sri Anandham Apartments
He Nagar, Madipakam, Chennai.

The Board Reviewed and Discussed the Papers as follows:

At the UG level, the following suggestions were made:

B.Sc Computer Science

1. In Semester I, Core paper C programming may be changed as Computer Fundamentals and C programming.
2. Experts suggested to introduce another core paper as a practical paper, because it is technical oriented subject. The paper is C and office automation. [Practical paper is related to core paper]
3. In Semester II, Core Paper III may be converted as Object oriented programming with Data Structures.
4. Experts suggested to introduce Semester wise practical paper to each Semester since it is a lab oriented course.

Experts suggested:

5. In Semester III, IV Instead of language papers, more weightage need for core subjects.

At the PG level, the following suggestions were made:

M.Sc Computer Science

1. Experts suggested to shift the core papers Advanced Java, TCP/IP Networks and Applications and Practical paper Advanced Java and Networks from Semester II to semester I.
2. Experts suggested to introduce the core paper "Grid Computing" in Semester I.
3. Experts suggested to shift the core papers Net Technologies, Digital Image Processing and Software Testing from Semester III to semester II.
4. Experts suggested to introduce the Elective paper as Enterprise Resource planning in Semester II.

PGDCA

1) Experts Suggested to introduce core papers :

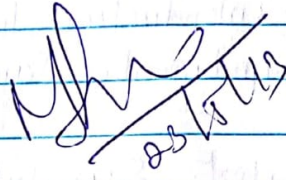

"Introduction to Information Technology" and "Digital Fundamentals and Computer organization".

2) Experts Suggested to introduce the papers Oracle and Software Testing, Information Security instead of the core papers Java programming, client/server Technology and HTML & DHTML.

3) Practical papers are introduced as Visual Basic with Oracle and Software Testing.

The Board discussed the syllabus thoroughly. The following suggestions are given.

1. The Board felt that this B.Sc (IT) Programme being a job oriented and practical oriented programme, this should have one Practical course every semester. Hence, it is resolved that one theory in the odd semester be offered as Practical courses without any major change in the structure of the programme suggested by TANSCHÉ.
2. The Board designed and approved the scheme of Examination for the B.Sc (IT) Programme
3. The Board reviewed the syllabus for the 1st year of B.Sc (IT) programme and approved as per TANSCHÉ Norms
4. It is strongly recommended that the language component in the II year be changed as

core component since this will increase the knowledge of the students in the core area.

The Board reviewed and discussed the courses for third and fourth semester of 2012-2013 batch and first and second semesters of 2013-2014 batch, and the template for the V and VI Semesters. The following observations were made:

- * Managerial Economics and Decision Making I & II may be replaced by Business Economics for the V and VI Semesters.
- * A course on Business Communication may be added.
- * Courses on Mathematical Methods related to business, and Freight Management and Export Management may be included.

- * Operations Management may be replaced by Logistics Operations Management
- * The course on Global Marketing was felt ^{not necessary} ~~irrelevant~~
- * EXIM Policies may be included. Also, ~~the~~ outline of the incentive schemes available may be incorporated.
- * The Board also made the following suggestions:
 - ⇒ Conduct Export Oriented Games
 - ⇒ Faculty to enrol as members in Pollachi Chamber of Commerce
 - ⇒ Tie up with Tirupur Exporters Association (TEA)
 - ⇒ Two Projects in the final year - Group Project in the V semester and Individual Project in the VI Semester
 - ⇒ The papers to be included in the fifth and sixth semesters were suggested.

Suggestions:

The following suggestions given by the Board is taken into considerations for future implementation.

* In Core-I Algebra and Calculus, Beta and Gamma functions may be excluded in Module-V.

* Allied-I, PC-Software Practical may be included with case study related problems.

* Core III Analytical Geometry of 3-Dimensional, vector Calculus and Fourier Series may be changed as Analytical Geometry, Vector Calculus and Fourier series.

* For BBM(CA), the name of the paper Allied I and Allied II may be changed as Mathematics for Management-I and Mathematics for Management-II respectively.

* In Core-IV Programming in C, The reference book "let us C" may be introduced. Additional practical Programs may be included in every unit.

* In Advanced Learner's Course-I, Database Management System, the concept of Normalization may be included.

It has been resolved to continue with the existing TANSCH pattern. Any further suggestion regarding the implementation of revised scheme would be complied with taking into consideration the board which met on 25/3/2013.

Justification For having Practical Paper in odd Semester (First):

As per Tansche pattern Allied I as theory paper and Allied II as a practical paper. Due to workload distribution for the staff handling the computer paper and Mathematics paper, we keep Allied I as a practical Paper and Allied II as a theory paper.

The scheme, syllabi and changes mentioned above are approved by The board.
