The Board made the following suggestions:

Post Graduate Alumni:

Mrs. Nirmala Sathish
Assistant Professor of Economics,
NGM College,
Pollachi.

The Board made the following suggestions:

PG

* The Board, after a detailed discussion, approved the following four papers namely in lieu of Skill Based Courses I, II, III & IV in the existing template. The Board has found the syllabus as adequate to be offered as Skill based Course.

* The Board has suggested to take Allied IV - Tally accounting Programme to bring under the Skill Based Course & offer the paper as Services Marketing. After deliberation the board approved the content of the paper Services Marketing.

* In the paper Micro Economics I - Principles of Economics is added.

* In Demography paper - Demography, Dividend and Brain Drain are to be included.

* In Urban Economics - Urban Infrastructure, problem of Urbanisation - Environment and Health are to be added.

The Board approved to follow Core XV Urban Economics - 2014-2015 for the 2013-2014 batch.

* In the paper Core VIII - Economic Doctrine - unit III is replaced by Indian Economic thought - Arthashastra - Thinktural - Dadabhai Naoroji - Drain theory - Ranade - Gandhian Sarvodaya.

* In Macro Economics - Absolute Income hypothesis and Super Multiplier ~~is~~ to be added.

* In the paper Monetary Economics - Unit IV - Banking - Meaning - Components of banking Sector, Commercial banks - Central banks - to be added.

* In Semester VI, Elective III - Computer application in Economics - Practical is replaced by Retail Business Management. The content of the syllabus has been approved by the board.

* In ALC II - A subject viva voce is taken by the candidate covering all the subjects covered in IV, V and VI Semester. The viva voce is to be conducted by three members: HOD, staff handling the papers & one staff.

PG

* In Core I - Advanced Micro Economics - Walrasian general equilibrium model is added and Adam Smith, Bentham, Kaldor and Hicks is removed in Unit I.

* In Core III - Research methodology in Economics - in unit I - Foot note, End note and bibliography are to be added.

* In Core VI - Advanced Macro Economics - Uses of National Income Analysis is to be added in Unit I.

* In Core XIV - Export Procedures & Documentation, ~~master~~ documents I & II is to be added in unit (I).

* Under Core XV - Environmental Economics - Unit III - Pigovian tax and ~~Coase~~ Coase theorem ~~is~~ to be added.

The Alumni member suggested that the syllabus of Micro Economics II in UG - ~~may~~ ~~is~~ can be reduced. The Board has taken up the

Suggestions and modified accordingly.

In general, the board felt that both UG and PG Syllabus are Comprehensive and Complete. The subject experts appreciated the practical components and the innovative practices namely self learning papers and Advanced Learners Courses.

The following are the 4 new papers offered as Skill Based Courses.

- SBC I - Communication Skills for Business.
- SBC II - Management Information System.

15. Mrs. S. Anitha (Alumnus) : Not attended.

Suggestions and Recommendations:

- * In the UG programme core I unit I to be replaced with the topic heading of Surface Tension in elaborate and unit IV viscosity to be dealt in detail separately.
- * The title of core II to be renamed as Heat and Thermodynamics instead of Kinetic theory, Thermodynamics and Statistical Thermodynamics.
- * The core III title to be renamed as Optics instead of Physical and Laser optics.
- * In SBC I the Unit II content to be replaced by the topic and contents related to the production and measurement of low pressure.
- * The Atomic physics and Spectroscopy (core IV) to be revamped with the contents related to Atomic physics and Nuclear physics including the title (e.g. X-rays...).

4/5/20

- * In the PA programme, core IV Electronic devices, circuits and applications to be renamed as Semiconductor circuits and applications.
- * The software MATLAB may be excluded and a new core related Paper Mathematical Physics II to be introduced in the curriculum design and Syllabi contents with the reshuffling of the subject topics in the previous Mathematical Physics Paper I.
- * The Syllabi contents of the Elective I and II Nanoscience and Nanotechnology to be revamped with reshuffling and added subject topic titles.

Semester I - Allied I chemistry-I - For B.Sc. Physics

In Unit III Polar & Non polar solvents - water, hardness, lime soda method of removing hardness is included. In Unit V Acid Base theory is introduced.

Semester I - Allied I chemistry-I - For B.Sc. Zoology

Unit - IV chemotherapy is shifted to Allied - II chemistry - II of semester - II (as Unit V)

Unit - V Electrochemistry of Allied II chemistry - I is shifted to Unit - IV of Allied I chemistry - I

In Unit - IV Electrochemistry, Arrhenius theory of acids & bases is included. In Unit - V Polymer & Nuclear chemistry is introduced.

Semester II - Core II - General chemistry-II

In Unit - I Mechanisms - halogenation, free radical substitution, sulphonation, & Nitration & oxidation is removed. In Unit - III Titrimetry & In Unit - IV acids, bases & non aqueous solvents are introduced.

Semester III - Core III - General chemistry-III

Unit - II : Organic reagents and reactions is renamed as Organic reaction Mechanisms.

Semester III - Skill based course I Skill based chemistry-I - Applications of Computer in Chemistry

In Unit II - Spread sheet Manipulation, Graph pad is included.

Semester -IV Core-IV - General chemistry-IV

In Unit - IV - Heterocyclic Compounds and Active Methylene Groups - Preparation and properties of Benzopyran, Isoquinoline is removed. Elementary ideas of flavone & Coumarin is included. Preparation, properties & uses of diethyl malonate is included.

Semester - V Core - V - Organic chemistry - I

In Unit - II : Molecular Rearrangements - para claisen rearrangement is removed.

Unit shuffling done in physical chemistry I & II

Semester - V - Elective - I - Spectroscopy

In Unit - V : ESR and Mass spectroscopy

Nitrogen rule is included.

Semester - VI - Core IX - Organic chemistry - II

Unit III Steroids - Definition, classification, & Biological Importance - structure of cholesterol (elucidation not necessary) is included

^{In Core X} Inorganic chemistry - II, Unit V chemistry of Cpd's of d block elements is included.

Semester - VI - Elective - II - Analytical chemistry

In Unit III : chromatography - Gas chromatography & HPLC (basic idea only)

Subject Viva Voce in semester - IV & semester - VI is replaced by Part - III Advanced Learners course - I - Food Science and Part - III Advanced Learners course - II - Dairy chemistry theory papers

Sem - IV - Advanced Learners course - I - Food science

In Unit - 3 - Food safety and standards - National (BIS) and International (Codex) standards - FSSAI is included instead of Food laws - prevention of adulteration act (PFA) 1954 and rules 1955 and its salient features.

Newly introduced course : NMFC - I 'chemistry in everyday life' in semester - III

The (Inter-Disciplinary Course I) Allied Botany I + II is apt and update covering the conventional and the applied aspects of day to day life.

Allied Botany - I:

- ① In Unit - III - Poaceae was included instead of Rutaceae
- ② In Unit I - Penicillium - Symptoms, causative organism and control measures were added instead of Aspergillus,

Allied Botany - II

③ In Unit - III - C₄ pathway, factors deleted.

④ In Unit - IV - Bonsai Significance, Hydrophytes and Xerophytes deleted.

⑤ In Unit - V - In pharmacognosy -

Curcuma longa, *Trigonella foenum-graecum*, *Cissampelos quadrangularis*, *Adathoda vasica*, *Embilica officinalis*, *Musa paradisiaca*, *Moringa indica* were deleted to restrict the number of examples.

Allied Botany Practical

In Part IV - Hydrophytes and Xerophytes were deleted.

1. *Zingiber officinale*
2. *Piper nigrum*
3. *Allium sativum*
4. *Phyllanthus fruticosus* and
5. *Abelmoschus* were included.

① In VI part spotters - Types of layering - Simple, Compound, Trench, mound and Air. were deleted. Instead of that

② cutting and layering included.

③ In grafting types were deleted and General account only given.

Following are the suggestions/recommendations made by the Board in the proposed syllabi for UG.

In the semester III, Core V - Higher Financial Accounting paper the topic, 'Valuation and Treatment of Goodwill' to be shifted from II unit to I unit and 'Dissolution of Partnership' from V unit to IV unit.

In Advanced learners Course I and II: Subject viva voce to be conducted covering the Courses of the concerned Semester only (ie IV and VI semester only).

In Elective III: Financial Services, in the V unit the topic, 'Credit Cards' to be deleted.

In Allied III Principles of Accountancy C for B.Sc. Mathematics in unit V, the topic 'Single Entry System' to be removed and to rearrange the contents of the course as decided.

For PG 2014-15 Batch it was resolved to approve the new syllabi suggested for III and II semesters, with optional papers for project.

For PG 2015-16 Batch the Board resolved to carryout the following recommendations:

Two optional papers for project under CBS was introduced and approved.

The Board suggested to have the following papers as self study papers:

- Services Marketing.
- Retail Management.
- Management Information System.

To include 'Theories of Consumer Behaviour and Consumer Protection Act' in Core II Marketing Management paper.
