Feedback on the Syllabus of English
Part II, B.A. English and M.A. English

I am happy to give this feedback on the Syllabus framed by the English Department of G.V.G Visalakshi College for Women (Autonomous), Udumalpet.

Every Paper meant for the Part II English, B.A. English and M.A. English has been well structured and accommodates all the relevant items of Language and Literature.

Especially the Major Subjects have all the necessary inputs covering various genres, kinds and realms of Language and Literature leaving no stone unturned.

Each of these courses have been framed with rightly drafted Objectives fulfilling the Outcome based Standards.

Overall, the entire Syllabus fits the expectations and norms of UGC/ any other authority of higher education.

To finalise the curricular design for I-VI Semesters and Syllabi content for I-IV Semesters under the Outcome Based Education pattern (OBE) to be newly introduced for the B.Sc Physics Programme for the students admitted from 2017-'18 along with the newly designed assessment pattern both for CIA and ESE based on Bloom's Taxonomy.
2. To finalise the introduction of Project and Viva voce in the V Semester and introducing a new course Atomic and Solid state Physics (Core VI) by revamping Solid state physics and Atomic and Nuclear Physics in the V Semester along with the revamping and introduction of new practicals in Core II & IV practicals

- for the students admitted in the year 2015-16 and 2016-17.
3. To finalise the introduction of new practicals in the core II practicals for the students admitted in the year 2016-17.
 4. To discuss about the availability of new books with the updated editions and reprint versions and topics related to the UG - project work for effective performance.
 5. To finalise the introduction of Elective options under CPCC during V & VI Semesters from the academic year 2017-18 onwards.
- Minutes of the Board of Studies meeting for the syllabus ratification under the ^{concept of} outcome Based Education in the curricular design ^(I-VI) and syllabi content for I-IV semesters for the UG programme along with the evaluative pattern, conducted on 28.07.2017 at 9.30 AM in the Physics Laboratory of Sri G.V.G. Visalakshi College for women, Udumalpet.

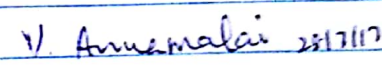

The following members were present for the meeting:

Chairman : Mrs. T.V. Barumathi J.V. / 28/7/17

Members :

1. Dr. D. Nataraj : Not attended

2. Mrs. B. Nirmala : 

3. Dr. V. Annamalai :  28/7/17

4. Dr. J. Chandrasekaran :  28/7/17

5. Mrs. S. Aram : Not attended

6. Mr. A.M. Selvaraj (Industry) : Not attended

7. Dr. P. Hemalatha (Alumna) :  28/7/17

8. Dr. B. Kavitha : B. Kavitha 28/11/17.

9. Dr. M. Nirmala : M. Nirmala 28/11/17

Suggestions and Recommendations.

* The curriculum design for I-VI Semesters and syllabi content for I-IV Semesters under the concept of Outcome Based Education pattern (OBE) has been finalised and approved by the Board. Hence it has been resolved to introduce the new pattern of Outcome Based Education from this year 2017-18 onwards towards the Curriculum framing and Teaching Learning methods for the UG programme B.Sc Physics.

* The introduction of Project and Viva voce in the V Semester and also the Atomic and Solidstate Physics in the V Semester for 2015-16 and 2016-17 batches has been approved by the Board. The introduction of new practicals in Core II, III and IV for 2015-16 and 2016-17 batches has been approved by the Board.

* The assessment pattern of OBE under the concepts of Bloom's Taxonomy has also been approved by the Board.

* The introduction of Elective options from the academic year 2017-18 onwards has also been approved by the Board.

- * It is resolved that the concept of outcome based education is to be included in the curriculum of 2017-2018 batch students.
- * To enable Computer skills and data analysis which is inevitable for higher studies and research, we included "Applications of Computer in Chemistry" as Skill enhancement course.
- * Bloom's Taxonomy of Educational Objectives is followed in question paper pattern.

The Board resolved to bring out changes/modifications/deletions as follows,

For 2017-18 Batch

In Semester-I, Part III - Core I General Chemistry - I

- (i) The number of contact hours for Unit I and II is changed as 17 hours each.
- (ii) In Unit - V, after hyperconjugation and steric effect (basic concept only) is included in the bracket
- (iii) In Unit V, instead of SN^1 , SN^2 and SN^i mechanisms only SN^1 and SN^2 are mechanism are given.

In Part III Allied I Chemistry-I (for Physics/Mathematics) units are reshuffled as follows.

- (i) Unit 1: Organic reactions and Solvents
Unit 2: Aromatic Hydrocarbon
Unit 3: Atomic structure and Chemical bonding
Unit 4: Coordination Chemistry
Unit 5: Acid Base theory
- (ii) In Unit I, after hyperconjugation and steric effect basic concept only is included in bracket.
- (iii) In Unit II, Functional group - Introduction types with examples is deleted.
- (iv) In Unit V, Strength of Solutions is modified as Concentration terms.

In Part III Allied I Chemistry I (for Zoology)

- (i) Unit III - Title is modified as organic reactions and the term organic reagents is modified as organic reaction intermediates
- (ii) In Unit - III, after hyperconjugation and steric effect (basic concept only) is included in the bracket.

In Semester-II, Part III Core II General Chemistry - II

- (i) In Unit II the part from Electrophilic substitution reaction to acylation with mechanism is restructured after Preparation of benzene.
- (ii) In Unit II, microwave assisted one pot syntheses of Chalcones is incorporated.
- (iii) In Unit III, preservation of standard solutions is deleted.

and under types of titrations only Acid-Base and redox titration are included.

- (ii) In Unit III, the term included oxidation is deleted
- (iv) In Unit IV, the term dual behaviour is modified as amphoteric nature.
- (v) In Unit IV specific application of MSAB - Prediction of hardness and softness and predicting feasibility of the reaction is included.

In Part III - Allied II Chemistry - II for Physics and Mathematics,

- (i) Unit II, title is changed as surface chemistry, chromatography and electrochemistry.
- (ii) In Unit II, near B.E.T theory of adsorption, basic concept only is included in bracket.
- (iii) In Unit III, before van-Arkel method, the title, purification of metals is included.
- (iv) In Unit V, instead of Rubber: natural and synthetic fibres: nylon-6, polyester, PE and PVC the following is included, Natural rubber: vulcanisation - synthetic fibres Nylon-6, Polyester.

In Semester - II, Part III Allied II Chemistry - II for zoology.

In Unit I, Under Vitamins, definition, sources and importance are incorporated.

In Part - III core practical - I Semimicro qualitative analysis

- (i) Under group experiments no (ii) is modified as separation of

immiscible liquids using an volatile organic solvent.

- ii) In Demonstration, the term identification of chromate and iodide ion is included.

In Part III Allied Chemistry practical

Under A III) Dichrometry part is deleted and under IV) estimation of copper (demonstration) is included.

In semester III - Part II - core II - General Chemistry - III

- i) In Unit II, the complete chromatography part is changed as follows.

Chromatography: Definition, type-adsorption and partition chromatography - principle, technique and application of TLC, Column and Paper Chromatography - principles and applications of gas Chromatography and High performance liquid chromatography.

- ii) Unit III is reshuffled to Unit V of part III core IV general chemistry - IV and that Unit V is reshuffled in place of unit III of this paper.

- iii) In Unit IV under Michaelis menton equation significance of K_m is included.

- iv) In Unit - V the order of laws of photochemistry is reshuffled as Beer-Lamberts law, Grothus Dooper law and Stark Einstein's law of photochemical equivalence.

In Semester III, Part IV - NSEC - I

In Unit II, Origin is introduced. The Unit II, Cheminformatics is included as Cheminformatics Introduction of Cheminformatics, History of Cheminformatics and Evolution of Cheminformatics and use of Cheminformatics.

In semester - IV part III, core IV, General Chemistry IV

- (i) In Unit IV, after basicity of Pyridine, comparison of Pyridine and pyrrole is included.
- (ii) In Unit IV, preparation and properties of pyrimidines, flavones and coumarins is deleted and Isoquinoline is included.
- (iii) Under active methylene group, synthetic uses of diethyl malonate is specified as synthesis of α -methyl butanoic acid, Adipic acid, barbituric acid and ethyl methyl ketone and synthetic uses of ethyl acetoacetate is specified as synthesis of butanoic acid, pentanone, Succinic acid and α -methyl crotonal.

In Part III, Core Practical II - Volumetric and Organic Analysis

- (i) Under I D) NO. ① is changed as Estimation of ferrous ion using External indicator.
- (ii) Under II B) an the title classwork is included in the bracket
- (iii) In analysis of organic compound, thiourea is included

The changes made as per the requirements of DBT is approved (ie) The Syllabi for 2015-16 and 2016-17 Batches kept for ratification are accepted as such without any correction and modification by the Board.

For 2016-17 Batch, in part II, core Practical II, II (B) Estimation of Organic Compounds (1-6) are introduced.

For 2015-16 Batch,

Newly introduced Courses: SBC IV: NanoScience & Elective IV: Project

Newly introduced Topics: Intellectual Property Rights in SBC III.

Newly introduced Experiments: In core practical III: II) 10, 11, 15

In core practical IV: 5 & 6 (IV & V)

Spectroscopy paper which is previously offered as Elective - I is changed as core VIII-Paper

Minutes of Board of Studies.

Board of Studies for Zoology met on
28/7/17 at 10am to discuss

1) The first IV Semester syllabi for
2017-18 batch UG students.

2) V and VI Semester Syllabi for
2015-16, 2016-17 batch UG students - IV Semester
based on core practicals II, III, Elective practical
and Group project and viva voce.

The following are the chairman
and members of the Board of Studies

Chairman : Dr. (Mrs) S. Umamaheswari

Members of the Board resolved to approve the following:

1) The Syllabi I - IV semester for 2017 - 2018 for UG students is framed based on Outcome Based Education pattern (OBE).

2) The V and VI Semester Syllabi for 2015 - 2016 batch and IV Semester for 2016 - 17 batch for UG students is revised with the following changes.

① 2015-16 batch - Core XII Group project and viva voce has been introduced in the VI Semester instead of Core XII - Immunology.

② New practicals has been introduced in Core practical III for the Semester V and VI - Core VII - Biotechnology:

- i) Isolation of DNA
- ii) Separation of proteins by electrophoresis
- iii) Gram staining

Core IX - Microbiology

i) Distribution of microbes in soil and water (demonstration)

ii) Methylene blue reductase test for milk

Elective practical: Spottus has been introduced in C1 and S1 in 2016-17 batch -

① New practicals has been introduced in Core practical II for IV Semester are

Core IV: Cell Biology and Biochemistry

1) Quantitative estimation of carbohydrates and proteins using Spectrophotometer (Demonstration)

2) Core V - Environmental Biology and Evolution:

i) Water quality analysis of different samples of drinking water (water analyzer kit) - dissolved oxygen, estimation of TDS, TSS, TS and pH of the given water samples.

③ Question paper pattern are changed on Bloom's taxonomy for 2017-18 batch.

The following suggestions of the board may be incorporated in future.

1) Dissection practical to be completely removed and it is unethical and against conservation to kill animals. Hence, virtual dissection using Computer-aided programmes has been suggested.

2) Topics on Project Tiger and Elephant has been introduced in Core V Environmental Biology and Evolution. suggested to introduce.

Minutes of Board of Studies Meeting - 28.07.2017.

The Board of Studies meeting for Allied Botany was held on 28.07.2017 at 10.00 am.

The syllabi framed for the ancillary Botany course (2017-2018 Batch) are relevant to impart the basic and advanced knowledge in the field of Botany. The syllabi III-IV Semester for 2017-2018 for UG students is framed based on Outcome Based Education Pattern (OBE).

The members of the Board of Studies actively participated and suggested the following recommendation in the draft syllabus presented.

1. The unit-I, II and III in the Allied III-Botany I re-organised to understand the groups of plants in order like Cryptogams and phanerogams.
2. The topic included in plant pathology may be shifted to Unit-IV.
3. A topic on plant tissue culture may be included in Unit-V.
4. In Allied-IV-Botany-II paper, the topics on Ecology included in Unit-I may be shifted to Unit-IV.
5. Unit-I can be split into two in order to shift the topics upto absorption of water to Unit-I.
6. The topic N_2 Cycle and its significance may be kept at the end of Unit-II.

7. A topic on marketing a Horticulture products may be included in Unit-III.
8. In the practical paper, Moringa indica may be included.
9. The topic potato ^{tea} osmoscope may be corrected as potato osmoscope.
10. The title of the Non Major Elective paper "Mushroom Culture Technology" may be renamed as "Mushroom Cultivation".
11. In Unit-III Pleurotus can be in ~~under~~ Commercial methods.
12. The number of reference books quoted may be more and even websites can also be added.
13. Question paper pattern are changed on Bloom's Taxonomy for 2017-2018 batch. Further, the Board recommended to approve the syllabi for the 2016-2017 batch with the suggestions given.

For UG Degree in Commerce, the Board resolved to introduce outcome Based Education for the students admitted from the academic year 2017-18 onwards for the academic enrichment of the students' performance. In conformity with the outcome based education department vision and mission were framed in line with College vision and mission.

Based on the departmental vision and mission programme Educational objectives, programme outcomes, curriculum structure and components were reframed introducing two sets of elective options with 3 courses each.

Option I - Finance Specialisation.

Option II - Marketing Specialisation.

Retail marketing, Services Marketing, Digital Marketing Business Skills and internship were introduced in the curriculum.

Office Automation Tools was renamed as Computer Application Tools.

Based on the feedback of the students, subject experts and current developments, contents of

all the courses were revised and updated. For all the courses, course objectives, course outcomes and course delivery methods were redefined and mapped with the programme outcomes.

Knowledge, Understanding and application levels of Bloom's Taxonomy was identified for each course.

Question paper pattern was designed to test the knowledge component in Section A, Understanding in Section B and application in Section C.

Curriculum structure for six semesters and course syllabi for four semesters were presented before the board. In addition to the text book, e-materials are also used for teaching and learning.

Following are the suggestions/recommendations made by the Board:

Contents of the Company Law course has been redesigned as per the Companies Amendment Bill 2016.

Suggestions given relating to the V and VI Semester courses will be considered in future revision.

Financial Accounting I and II course contents were reframed.

For PG

Executive Communication paper was introduced.

Based on the students feedback Statistical Methods were reintroduced.

To provide choice for the students two sets of elective options with four courses each.

Option I - Finance Specialisation.

Option II - Export Specialisation were introduced.

To promote self learning among students free online courses were introduced as ALC papers.
