A heartfelt thanks to the Management, Academicians & students for having a cheerful moment in sharing my views in the topic "corporate social responsibility". I sincerely appreciate the participation of the students, as they gave their response in the virtual session, which I have not experienced in the past few months. The students were so interactive, thereby answering the questions, expressing their views etc. The Head of the department prof. B. Vinayakumari & the faculty members of the Department assured a comfortable & technically clear & error free arrangement, which helped me a lot in sharing the information with the students. Once again a soulful thanks to the management, principal, Head of the Department, Faculty members and the students for their support & presence.

Awaiting for the opportunities for knowledge sharing in future
