### Report of guest Lecture

**Date: 08.01.2021**

**Platform: Zoom**

**Agenda:** To motivate the UG Physics students to develop their experimental skills.

#### **Minutes of the Meeting:**

Guest lecture was conducted for III UG and II UG Physics students on 08.01.2021 through online mode due to Covid-19 pandemic. Mr. Sampath Kumar, Head, Training and Development Section, Roots Industries India Limited, Coimbatore was the resource person. 83 students of B.Sc Physics were attended the meeting and benefited.

The Resource person explained the following

- The principle of working of an organization, way of implementation, sources of raw material and product behind all these is the human resources rather than machineries.
- Our individual contribution to our nation by obeying the rules and regulation that everything is for our personal health and wealth not for the shake of society and country.
- How to apply physics concepts and Analysing the physics in every day's life.
- Clarification of some concepts behind walk, Gaming, Electric equipments, Energy conversions, Physics in human body – Eye is referred as camera because of similar principles, physics in internet( MO-DEM) – wave mechanics and Relation of our motion to Newtonian laws.

Finally he concluded that Physics is the fundamental of the Sciences and it teaches us to think. Also Physics gives us a new appreciation of world around us and he insisted physicist to implement the physics knowledge in industrial orientation. Students interacted well with the resource person and clarified their doubts.

### Warm Greetings from BluezInfomatic!!!

Dear sir/mam,

BluezInfomatic is sprouted as one of the leading BPO in providing highly challenged technical solution for complex business.

We are located at Tirupur, Coimbatore and Udumalpet.

We offer Placements to Fresher candidates who are seriously in need of job. We require 30+ candidates for our Firm and we expect immediate joiners.

As of now we look candidates to both Tirupur and Coimbatore location. This is would be our <http://www.bluezinfo.com/> official website for your reference.

We expect fresher candidates mainly female with basic degree and Computer Knowledge.

Now I have mentioned below our online test link, kindly forward the link to students and keep online test for 1<sup>st</sup> round.

It will appears as Students login and candidates login, so students will login at **STUDENTS LOGIN**.

- The 1<sup>st</sup> process is have to register in that link.
- Next it will appear 8 dialog box as Typing test, General Apps, Technical Apps, Managerial, Students set 1, students set 2, Students set 3, Students set 4.
- In that, **STUDENTS** will attend Typing test & Students set 2 category.
- After completing their online test, they should logout from their register at top of the corner.

So this is the 1<sup>st</sup> step to complete the online test.

We hope clearly students will all participate this online test with good results. After completing online test, GD & HR panel will be conducted.

Career Opportunities in Zoology

First of everything I thank our Principal, HOD and  
Programme co-ordinator for arranging this wonderful Alumni  
Webinar Series. I also thank Dr. S. Sudha, Assistant Professor,  
Department of Zoology, L.R.G. Government Arts College for Women,  
Tirupur (Resource person) for sharing her valuable knowledge  
with us. At the end of the session we got an idea  
about the career opportunities in Zoology. Obviously, this  
session for career opportunities was very much useful and  
got some ideas regarding job opportunities. Everyone use  
to say that Zoology has no scope, there is no vast  
career opportunities and so. But after attending this  
meet I personally came to know that Zoology also has  
much job opportunities like other streams. Overall the  
session was so helpful and was an eye opener.

### "Empowering women through Ornamental Fish Farming"

In this meeting, I got a clear vision on Ornamental Fish Farming, what is benefit of it and also how should we maintain the Fish Farms. I feel very happy because of Dr. Thurumathal, Assistant professor who explains well about the Ornamental Fish Farming. And also she explains how should we become a successful entrepreneurship by Ornamental Fish Farming.

Arrangements, Maintenance, requirements in Ornamental Fish Farms and earning method. So I got a clear vision on Ornamental Fish Farming. I proud about that she was a alumini of our college and now she was a Reseroue person. she was very interactive with us. Ornamental Fish Farming is a part and very relevant to my subject. so It is very useful and very beneficial to me to understand my subject. And also organizing committee was arranged meeting well give more time to clear my doubt. It is a great

Opportunity to learn and also to be motivated to become a successful Entrepreneur in Ornamental Fish Farming. she also share his experience with us. It was very useful to me. From the whole session, I am not only learn my subject and also I got motivation to become successful women Entrepreneur in my life. Finally, I am very thankful to the whole committee and to my college for arranging this wonderful online session.

DISCUSSION WITH ALUMNI

"Jobs for Graduate with Biology Degree - Medical Coding"

(Motivation & Career Guidance)

15/05/2021 (4.30 - 5.30 Pm)

The students were given an opportunity to talk with an alumni, Mrs. Idhaya, CRC Junior Executive - Medical Coding Visionary RCM Infotech, Chennai. Mrs. Idhaya talked about the importance of Communication skills, Language skills and other technical skills. At the time of the graduation student has to not only study their specialisation, but also improve the skills what ever is possible for them. She has also motivated the students to attend all campus interviews, which will help them to prepare well for forthcoming interviews. More than 70 students has participated and interacted with Mrs. Divya. Students were very happy to interact with them, as the Resource persons were very friendly and their own Seniors. The session was eye opener for many of the participants, as the field medical Coding was a new emerging area, which has more job opportunities.

The Problem of unemployment is becoming a colossal in all of the developing nations. Entrepreneurship is considered one of the most important indicators of societal awareness and rationalization in society's development policies, plans and programs. In order to inculcate a desire to become entrepreneur among the students, *Department of Chemistry in Collaboration with Centre For Entrepreneurship Development, Madurai* Organizes a **DBT Star College Scheme Sponsored Online Workshop on "Opportunities and Avenues available for Women Entrepreneurs in the Field of Chemistry "** from **22.05.2021 to 28.05.2021**. The program is specially designed for the students, who are still pursuing their studies in Colleges and do not have any idea about Entrepreneurship. Purpose of this webinar series is to create awareness among the students in the essentials of Conceiving, Planning, Initiating and Launching an Economic Activity or an Enterprise Successfully after the completion of their studies instead of searching for jobs only. This program is intended to make the participants familiar about the Role and Importance of

- Entrepreneurship
- Process of Setting up of Enterprise
- Preparing Project Reports
- Identifying Marketing Possibilities
- Entrepreneurship Supporting Institutions

### **Day 0 Entrepreneurial Orientation**

On the First day, the programme was started with the welcome address by Dr.M.Malarvizhi, Assistant Professor and Head, Department of Chemistry, Sri GVG Visalakshi College for Women, Udumalpet. Then, the key note speaker Dr. S. Yamini Devi, Programme Manager, CED TN Madurai, oriented the students about **Entrepreneurship**. She beautifully explained the students about requirements of Enterprises. During the session, students were explained about different types of small and medium enterprises around us. Speaker gave overall idea about investment requirements, types of machinery used and other essential requirements in setting up small scale businesses like nail polishing, collection of neem seed, amla & grape leaves, spice grinding & packaging. After her orientation, Dr.N.Rajeswari, Principal, Sri GVG Visalakshi College for Women, Udumalpet delivered her felicitations to the guest speaker. Finally, the

programme was ended with the vote of thanks proposed by Dr.S.Umadevi, Assistant Professor, Department of Chemistry, Sri GVG Visalakshi College for Women, Udumalpet. ### Webinar

Date: 28.05.2021

Time: 11 AM to 12.30 PM

Forum: Google Meet

Topic: "Career Opportunities for History Students"

Objective:-

To generate awareness of career opportunities particularly for History Students.

Due to unawareness of the importance of the History subject, we are in lack of admission for History. So we organized this webinar to create awareness and opportunities of History.

Resource Person:-

Dr. S. Ravichandran  
Assistant Professor of History,  
Periyar University, Salem.

Our Resource Person explained in detail about the competitive exams for Government jobs like TNPSC, UPSC, SSB, Civil Service Exams etc... He encouraged the rural background students, how to equip themselves for these competitive exams.

The Webinar was started with the formal welcome address given by Dr. G. Karthiga, and she introduced the

the Resource Person. Really it is an eye opener session for the students to know about the values of History and vast opportunities in various fields including Museum, Archaeology, Tourism and Journalism.

Students also raised many questions regarding their future career. He explained in a very simple way and it was very useful to the rural back ground students.

Finally vote of Thanks given by Dr. P. Siranjevi.

95 Students were benefitted and E-certificate also issued to them.

We arranged live stream also in Youtube.

Dr. P. MATHESWARAN,

Assistant Professor in Physics,

Kongunadu Arts and Science College,

Coimbatore

The Webinar on **Research** Guidelines and **Career Opportunities** was organized by Department of Physics under **DBT Star College Scheme on 28.05.2021**. Dr. P. MATHESWARAN, Assistant Professor in Physics, Kongunadu Arts and Science College was acted as a Resource Person for this webinar. The programme was started with welcome address by Dr.M.Nirmala, Assistant Professor of Physics.

As education systems are expanding and intensifying, the creation of new jobs and opportunities are changing the way individuals make their career choices. With such changes in place, career planning has become more complex and confusing. Today this webinar on career guidance program will benefit the students a lot in finding answers to future career plan.

- Different specialization fields available in Physics discipline such as Electronics, Quantum Mechanics, Nuclear Physics, Radiation Physics etc and he listed the name of entrance examinations and their respective institution as a gateway.
- high clearance for post graduates to be a scientist or scientific officers through the exams like GATE and by clearing the UGC NET ,TET exam for their teaching professions or to have a doctorate in their interested fields.

- Scope of jobs as Lab technician, Subject matter expert, Researcher, Radiologist Assistant in hospitals and UPSC exams etc.
- Protocols for applying for research programmes, how to select a materials, how to execute an experimental part, publishing papers, interpretation etc.
- Shared his research experience, what are the points he missed while doing his research

ACCELERATING TRANSFORMATION

d) Your probation period will be for a period of six months. You automatically get confirmed after 6 months unless you are intimated in writing about the extension of your probation period. During the period of your probation, this contract can be terminated by the company without any notice and by you with one-month notice. After the completion of Probation, the notice-period would be two-months. The Company reserves the right to extend the probation period.

e) During the period of your tenure with the company, you will not be engaged in any other work or assignment or employment or act in any way detrimental to the interest of the company. You will not make any statement to the press or media or contribute article/s to the press or media without prior permission of the company.

f) You would be required to work with our Company for a minimum period of 1 year. In the case of earlier separation, the Company reserves the right to recover the training cost and damages suitably from you. This cost could be maximum up to or equivalent to your notice-period gross salary.

You would also be required to submit your original marks card, which will be in our safe-custody during the agreed-upon lock-in period of 1-year and returned to you after the term expires. A receipt of acknowledgment to this effect will be given to you once you submit your above documents, which you would be required to produce at the time of redeeming your original documents.

The "Rules of Employment" and "Code of Conduct" of the company will govern you, currently in force and as amended from time to time. You will sign a "Confidentiality Agreement" and be bound by the same during the period of your employment with the company. Any disclosure of confidential information will be considered as a criminal breach of trust. You shall be entitled to leaves as per company policy. The Company at its discretion reserves the right to amend, abolish whole or part of this letter with/without assigning any reasons thereof.

#### Important Notes:

- The duration of the training may vary from 30-45 weekdays based on the trainee's performance and there will be no change in the training salary.
- A trainee is eligible to attend certification only if he/she shows consistent performance improvements during the training.
- Failure in completing the assigned tasks before the deadline will result in termination.
- Absence in webinars & practice mock sessions will result in termination after a warning.
- The certification results will be declared based on the trainees' performance during the certification process solely.
- Training salary will be paid only to the Trainees who clears the certification process.
- Training salary will be paid only after an employee completes 1 month of service in the production as a Tutor from the date of certification.

### Alumni Talk Online Webinar

Date: 3.6.2021

Time: 3 to 4 PM

Topic: My Story - Journey of a History Graduate to a  
Successful Archaeologist.

Objectives:

To promote and encourage interaction between alumni  
and the students.

To Create alumni mentoring Services with an emphasis  
On Career guidance.

To promote knowledge and experience sharing  
between alumni and students an "Alumni Talk - Online Webinar"  
was organized. The webinar commenced with welcome note  
by Dr.V.K. Saraswathi, Associate Professor & Head of the Department  
of History followed by introducing the speaker by Dr.S. Shobagani,  
Assistant Professor of History.

Dr. M. Saranya, Assistant Archaeologist, Archaeology  
Survey of India, Bangalore Circle, Karnataka, Alumni of History  
(Batch 1995-2000) delivered a motivational lecture. The speaker  
enlightened the students on Pre-history, Proto history, Historic  
era and the significance of archaeological excavation in  
Constructing History. The speaker shared her experience as an  
Archaeologist, her journey from Thandigudi excavations,  
her home place to Dholavira, an important Indus Civilization  
Site. She further detailed on the various job opportunities  
available in the field of Archaeology.

The speaker provoked and kindled the  
interest among our students.

She answered to the queries raised  
The event was live streamed through YouTube.

Dr. S. Vijaya, Assistant Professor of History proposed the vote of Thanks.

The numbers of beneficiaries were 180.

first paragraph

My first paragraph. k-means is one of the simplest unsupervised learning algorithms that solve the well known clustering problem. The procedure follows a simple and easy way to classify a given data set through a certain number of clusters (assume k clusters) fixed a priori. The main idea is to define k centers, one for each cluster. These centers should be placed in a cunning way because of different location causes different result. So, the better choice is to place them as much as possible far away from each other. The next step is to take each point belonging to a given data set and associate it to the nearest center. When no point is pending, the first step is completed and an early group age is done
