

Implementation of Outcome Based Education (OBE)

Introduction of OBE –Suggested by Board of Trustee

Date

Minutes of the Meeting 05.05.2017

The annual meeting of the Board of Trustees took place on 05.05.2017 to review the activities of the year 2016-2017 and to discuss various plans for the year 2017-2018.

Trust Members:

1. Mr. M. Amarnath
2. Mr. G. Raveendran
3. Smt. Sumathi Krishnaprasad
4. Mr. G. R. Vishnuvardhan

Item No:1 Planning and Evaluation Committee

The committee proposed for the conduct of an energy audit since the new building was constructed. The committee and the IQAC recommended that the OBE system of education be followed from the academic year 2017-2018 for CIA after the resolution was passed by the academic council. It was acknowledged by the Members of the Board.

Item No:2 Feedback Submitted by IQAC

The suggestion for conducting feedback of the students online by the IQAC was welcomed and appreciated by the Trust members. They also suggested that the ERP could be enhanced with more

features so as to move towards a paperless office.

Item No:3 An overview of the preparations for NAAC was carried out.

Item No:4 NIRF

It was suggested by the Trust members to participate in NIRF ranking 2018.

Item No:5 DST and DBT Activities

Board members appreciated the Science departments for getting the DST and DBT funds sanctioned. The Board also approved the establishment of the DST and DBT Labs to carryout the programmes as per the proposals approved by the funding agencies.

Item No:6 Alumni Activities

The Alumni Cell of the college submitted a request to conduct an alumni meet for all the departments together as against the conduct of the same department each year. The alumni cell requested for the conduct of shopping Mela by the Alumni. Both their requests were approved by the Trust members.

SUSTAINABILITY IN HIGHER EDUCATION MODELS AND TOOLS 29th September, 2016

Organized by
Internal Quality Assurance Cell (IQAC)
Sri G.V.G Visalakshi College for Women
(Autonomous)
Accredited at 'A' Grade by NAAC
Affiliated to Bharathiar University
An ISO 9001 : 2008 Certified Institution
Udumalpet - 642 128.

About the Institution

Sri G.V.G.Visalakshi College is a prestigious Autonomous Institution founded in the year 1952 by the renowned Philanthropist Sri G.V.Govindasamy Naidu, an Industrialist from this part of the district. It is the first Women's college under Bharathiar University with 64 years of Academic Excellence in the Empowerment of Women. As an ISO 9001:2008 Certified Institution with the NAAC Accreditation at the 'A' Grade level the college is continuously striving to establish the Quality Policy, "To Educate, Empower and Elevate".

IQAC at GVG

IQAC of the College was established in the year 2002 and since then it has been vibrantly working to ensure various aspects of the academic activities of the Institution.

The salient objectives are to

- Develop a generic system for consistent, cognizant, constructive and creative action to improve the academic and administrative performance of the institution
- Facilitate and support measures for institutional functioning towards quality enhancement through internalization of quality philosophies and institutionalization of best practices.

Colloquium at a glance

The sustainability in higher education implies double challenge in the process of learning concerning both "Paradigm" and "Provision". In this context, the possibility of reorientation of Higher education depends on widespread and deep learning attitude within the community and the policy makers should precede and accompany the matching change in provision and practice. The probability that any Higher education Institution responds to such a challenge with appreciation depends on three fundamental areas of concern; firstly the nature of path that dwells in with regards to Paradigm and Provision, second the nature of territory that sustainability indicates and the third being the journey into that arena from the prior one. The sustainability does not require any add-on to the existing structures and curricula; but simply it requires epistemology in our educational thinking and practice. This colloquium will provide a gateway to different views on curriculum, pedagogy, organizational changes and policies.
