Date: 09.02.2018

Venue: Conference Hall

Programme

- Registration : 9.00 a.m - 9.30 a.m
Inaugural Session : 9.30 a.m - 10.45 a.m
Lighting the Kuthuvilakku : Shri.G.Raveendran
Secretary.
Prayer
Welcome Address : Dr. (Mrs.) K. Punithavalli
Principal.
Inaugural and Keynote Address : Dr.C.Kailasam
Director, Science and Humanities,
Dr.NGP Institute of Technology,
Coimbatore.
Vote of thanks : Dr. (Mrs.) N.Jeyanthi
Associate Professor of Mathematics
- Tea break : 11.00 am -11.15 am*
Technical Session - I (11.15 a.m – 12.30 p.m)
Resource Person : Dr.Ga.Dheebakaran
Assistant Professor (Agronomy),
B.Sc. (Hons) Agriculture Co-Ordinate
Agro Climate Research Centre,
Tamilnadu Agricultural University,
Coimbatore.
Topic : Numerical Models and Astrometeo
in Weather Forecast

Lunch 12.30 p.m - 1.30 p.m

Technical Session - II (1.30 p.m - 2.30 p.m)

- Resource Person : Dr.R.Pangayar Selvi
Assistant Professor (Mathematics),
Department of Physical Sciences & IT,
Agrl. Engg. College & Research Institute,
Tamil Nadu Agricultural University, Coimbatore

Topic : **Mathematical Modelling In Agriculture**

Valedictory Session (2.30 p.m - 3.30 p.m)

Valedictory Address : Prof. Dr Babu Nahata
University of Louisville, USA.

Vote of Thanks : Dr.A.Anis Fathima
Head, Department of Mathematics(SF)

National Anthem

Day 2:

09.30 am to 11.00 am

: Types of solar System: Off Grid Solar Power plant System, On Grid Solar Power Plant System, Hybrid Solar Power plant system.

11.15 am to 12.30 pm

: Off Grid Solar Power plant Designing- Load Calculation, Installed Capacity, Battery Bank capacity, PCU Capacity

1.00 pm to 4.00 pm

: **Hands on Training** – Solar off grid power plant

4.00 pm - 4.30 pm

: Valedictory function

Day 3:

: Industrial Visit to MAS Solar Systems,Cbe

Registration form may be downloaded from the website: www.gvgvc.ac.in

Address for communication

SOLAR PV TECHNOLOGY

Funded under DBT - Star College Scheme

6th - 8th February 2018

In collaboration with

MAS Solar Systems Private Ltd.,
Coimbatore

College

Sri G.V.G. Visalakshi College for Women is a prestigious Autonomous Institution founded in the year 1952 by the renowned Philanthropist Sri G.V.Govindasamy Naidu, an Industrialist from this part of the district. As one of the Women's College affiliated to Bharathiar University with 66 years of Academic Excellence in the Empowerment of Women, the college is funded by the Department of Science and Technology under the DST-FIST (level-0) funding and has also been identified to participate in DBT-Star College scheme for enhancing the activities of the Science Departments. The Institution is an ISO 9001:2008 Certified, with the NAAC Re-Accreditation at the 'A' Grade level. The college is continuously striving to establish the Quality Policy, "to Educate, Empower and Elevate" by implementing the concept of Outcome Based Education (OBE) from the academic year 2017-18 onwards.

Department

The Department of Physics was established as a Major Department in the year 1986 at the B.Sc Degree level and the Department has been upgraded as a PG department from the academic year 2013-'14. Every year Under Graduate students take-up National Graduate Physics Examination (NGPE) conducted at the All-India level by the Indian Association of Physics Teachers (IAPT) in the month of January. Students also attend summer courses in the Experimental Physics hosted by Institutions such as Indian Academy of Sciences, Bangalore, Homi Bhabha Centre for Science Education and Research, Mumbai etc. Post graduate students undergo Summer Internship program at the Centre of Nanoscience and Nanotechnology, Bharathiar University, Coimbatore, IGCAR-Kalpakkam, ARCI-Chennai, Tamilnadu Academy of Sciences, Gandhigram Rural Institute etc. The Department organizes Seminars, Workshops, Conferences and Intercollegiate competitions to motivate the students to update the subject knowledge and take up the research activities in the recent areas.

Programme Schedule

| | |
|-----------------------------|--|
| Registration | : 9.00 – 9.30 AM |
| Inaugural Function | : 9.30 AM |
| Lighting of Kuthuvilakku | : Mr. G. Raveendaran Managing Trustee & Secretary |
| Prayer | |
| Welcome Address | : Mrs.T.V.Banumathi Convener and Head Department of Physics |
| Presidential Address | : Dr.K.Punithavalli Principal |
| Inaugural & Keynote Address | : Dr. M. Sivaraman Professor and Head, Department of Physics Gandhigram Rural Institute Gandhigram, Dindigul |
| Vote of Thanks | : Dr. B.Kavitha Assistant Professor of Physics |

TECHNICAL SESSIONS & HANDS-ON-TRAINING

Day 1:

| | |
|----------------------|--|
| 11.15 am to 12.15 pm | : Basics of Energy- Renewable Energy - Solar Energy Technology - Types of solar technology |
| 12.15 pm to 1.15 pm | : Basic Electricals - Voltage, Current, Power, Energy, Connections Basic Electronics - Resistor, Capacitors, Diodes |
| 1.45 pm to 3.00 pm | : Solar PV Technology - Cross section of solar cell, Solar cell operations, Solar cell specifications, Solar cell Testing Conditions, Cell Manufacturing process, Types of Solar cells. |
| 3.15 pm to 4.30 pm | : Balance of System components |

Valedictory Session : 2.30 p.m-3.30 p.m

Prayer

Welcome Address : Mrs.R.Jayalakshmi
Head, Department of B.Com (e.com)

Valedictory Address : Dr. N.Lakshmi,

National Level Workshop on “Areas of Research in Kongu Region”

Sri GVG Visalakshi College for Women (Autonomous)
Department of Chemistry
Report for Hands on training
Synthesis and Characterization of Nanoparticles

The Department of Chemistry, Sri GVG Visalakshi College organized a one day hands on training program on 29th December 2017. The Chief Guest for this program is Dr.N.Neelakandeswari, Associate professor of Chemistry from Sri Ramakrishna Engineering College (SREC), Coimbatore. The program started with a pleasant prayer song followed by welcome address by Mrs. M.Malarvizhi, Head of the Department.

The first session covered the basic of Nanoscience and synthesis of nanomaterials. The guest faculty addressed on the topic entitled "Synthesis and Characterization of Nanoparticles". The lecture started around 9.30 AM and ended around 11.30 AM.

The session was made interactive by thought provoking questions posed by **Dr. N. Neelakandeswari** to the student audience for which convincing answers were given by the student. The lectures come to an end with vote of thanks proposed by **Dr. E.Vaishnavi**

After that the 47 III rd year BSc., Chemistry students and 5 of the PG students from physics were separated into 5 batches. The second session was started by 1:30pm and this session was dedicated to the synthesis and characterisation of nanomaterials and discussion with student participants.

In this session the following nanomaterials were synthesised.

1. Chemical Synthesis of Copper nanoparticles
2. Chemical Synthesis of CdS Nanoparticles
3. Bandgap calculation of nanoparticle using UV-Visible spectroscopy.
4. Chemical Synthesis of Silver nanoparticles.
5. Synthesis of ZnO Nanoparticles using Sol-gel methods.
6. Synthesis of nanoparticles using Ball-milling technique.

She demonstrated all the above experiments by giving a brief procedure and also initiated the students to carry out the experiments. After synthesising the nanoparticles each batch students characterised the nanoparticles using UV analysis. The absorbance spectra were recorded for copper, cadmium sulphide, silver, zinc oxide nanoparticles. Band gap of metal oxide nanoparticles were calculated. From the results we could able to interpret the formation of nanoparticles. The absorbance peaks matches well with the literature report.

She also suggested III year students to pursue higher education and choose research as their carrier option. She concluded the session by explaining the basic concepts of spectroscopy.

The Hands on training has proven to be very inspiring and informative for the students. By the end of the day our students acquired practical experience through completing real-world, hands-on exercises and got the opportunity to synthesis nanoparticles.

Topic : Microscale Experiments in Chemistry

About the Hands on Training:

MICROSCALE EXPERIMENTS IN CHEMISTRY

The rising cost of chemicals and decreased flow of funds are causing great concerns to the chemistry teachers. A tug - of - war had also been going on in recent years, to balance the budget of running practical courses and the standards of experiments to be carried out by the students. Since the economy is always the winner, the number of experiments had been the losers. A group of scientists from University of Pune and Fergusson College, Pune are striving hard to maintain the standards of experiments at a friendly budget ie., by carrying out the organic reactions in capillaries / tiles, using semimicro test tubes for heating experiments (instead of the conventional test tubes) and adopting to microscale preparations. Their attempts serve many purposes.

- (i) cuts down the cost of chemicals.
- (ii) experiments have become environment friendly.
- (iii) less time consuming
- (iv) less hazardous to the teachers, students and lab assistants. Hence it becomes affordable.

M. Malanje

Head, Department of Chemistry,
Sri G.V.G. Visalakshi College for Women,
(Autonomous) Udumalpet-642128

Sri GVG Visalakshi College for Women (Autonomous)
Department of Chemistry
Report for Workshop on Lab Safety and Hygiene
Date : 16.12.2017

A one day Workshop on Lab Safety and Hygiene was organized on 16.12.2017 by department of Chemistry under DBT – Star College Scheme Programme 2017-2018.

Mr.K.Krishnamoorthy, Lab Assistant, Department of Chemistry, Gandhigram Rural Institute, Gandhigram and Mr.G.M.Subramani, Glass Blower, Department of Chemistry, Gandhigram Rural Institute, Gandhigram were the resource persons of the programme.

Participants from our college, other schools and colleges attended the programme and get benefitted.

In the first session Mr.K.Krishnamoorthy insisted the important duties of Lab assistants, Lab safety and Hygiene which is to be followed in the laboratories.

- Laboratory assistants work in scientific laboratories includes, settings preparing experiments, processing specimens, maintaining lab equipment, and cleaning up after experiments.
- Before an experiment, laboratory assistants should process specimens and prepare the proper experimental set up. Afterward, they clean and maintain the lab and equipments
- They are responsible for setting up lab equipment such as microscopes, test tubes, calibrate glass flasks , as well as preparing and processing lab samples. They must know how to properly handle specimens according to established protocols and follow any regulations related to the type of sample.
- Laboratory assistants are in charge of cleaning lab instruments, sterilizing the test area, calibrating test equipment and following safety procedures when handling dangerous chemicals. They also ensure that the laboratory is stocked with the necessary supplies. They prepares simple reagents regularly used during lab procedures and ensure that the lab is stocked with the necessary supplies. This includes monitoring all of the supplies used in the lab and restocking them as needed.
- One of the integral duties performed by student lab assistants is securing the lab. This is done by cleaning up any spills, washing the equipment and glassware, such as conical flasks, pipettes and beakers used by students. Assistants also ensure that all caps and tops of reagent bottles are firmly fastened to prevent spills or leakage. They also put back all the reagents and equipment in the designated place after the lesson ends.

- Accidents in a laboratory may lead to injuries, lost lives and property damage. A lab assistant ensures that students do not practice any unsafe behaviors in the lab. They lock up all the reagents and unplug all electrical equipment to minimize the chances of accidents and fires. Assistants show the students how to handle chemical spills, dispose of broken glassware and get rid of non-hazardous and chemical waste safely. They also ensure that students adhere to the lab dress code and wear protective gear, such as safety goggles, during experiments.

In the afternoon session Mr.G.M.Subramani, Glass Blower, Department of Chemistry, Gandhigram Rural Institute, Gandhigram explained how to design and produce glasswares from old glassware, how to repair glass wares, replace stopcock keys etc. He also explained that repairing more complicated pieces can result in very significant savings..

He demonstrated the conversion of waste tube lights into useful boiling tubes and glass tubes via Bunsen burner in an interesting way. Hands on training were given at the end of the session.

After this session all the participants were offered a nice lunch.

This workshop was highly useful for all the Lab assistants in terms of practical knowledge about Lab safety and Hygiene

The participants thank the management and Department of chemistry for arranging such a wonderful programme .

Organizes

Workshop on "Cloud Essentials"

Date: 23.8.2017

Venue: Lab IV

Workshop on "Cloud Essentials" is organized by the Department of Information Technology on 23.08.2017 at Computer Laboratory IV. Mr.R.Hari Shankar, an expert of Cloud Computing from Open Source Academy gives an aware session about how to store data on Cloud, how to utilize the storage content with practical session to II and III year B.Sc-IT students. Nearly 70 students were participated in the workshop and benefited.

Course Coverage:

- Introduction to the cloud
- What makes a cloud?
- Hands-on demonstration of cloud computing
- Cloud Computing Service Models
- Cloud Computing deployment models
- Creating an Account in Amazon Web services

Resource Person:

Mr. R.Hari Shankar,
Open Source Academy,
Coimbatore.

Principal

WORKSHOP ON "CLOUD ESSENTIALS" ON 23.8.2017

NEW VISTAS AND DIMENSIONS

IN ELT

Date : 01.02.2018, Thursday

Venue : G.V.G. Auditorium

PROGRAMME

- Registration : 9.00 a.m.
- Inaugural Session : 10.00 a.m.-11.00 a.m.
- Lighting the Kuthuvilaku : Sri. G. Raveendran
Secretary and Managing Trustee
- Prayer
- Welcome Address : Mrs. T.Amuthavalli
Associate Professor & Head
Department of English
- Presidential Address : Dr. (Mrs.) K. Punithavalli
Principal
- Inaugural and
Keynote Address : Dr. G. RajaGopal
Former Vice Chancellor IIC
ERLU, Hyderabad
- Release of Proceedings
- Vote of Thanks : Dr. (Mrs.) P. Renuga
Associate Professor in English

Tea Break : 11.00 a.m.-11.15 a.m.

Technical Session I

11.15 a.m. - 12.15 p.m.

Topic: Understanding Some Current Concerns in ELT

- Resource Person : Dr. G. RajaGopal
Former Vice Chancellor IIC
ERLU, Hyderabad

Technical Session II

12.15 p.m. - 1.30 p.m.

Topic: NIS and LSPS in Teaching and Learning English

- Resource Person : Dr. A. Vasudevan
Associate Professor & Head
Department of English
Government Arts College, Udumalpet

Lunch 1.30 p.m. - 2.15 p.m.

Paper Presentation 2.15 p.m. - 3.15 p.m.

Technical Session III

3.15 p.m. - 4.15 p.m.

Topic: Contemporary Practices in ELT

- Resource Person : Dr.M.Abdul Ali Thayyil
Associate Professor & Head
Department of English
Ideal College, Kadakasseril, Kerala

Valedictory Session

4.15 p.m.-5.00 p.m.

- Welcome Address : Dr. (Mrs.) D. Sujatha
Associate Professor in English

- Valedictory Address : Dr. K. Kannan
Director
Research Development & Collaboration

- Vote of Thanks : Mrs. K.Sathya Priya
Assistant Professor in English

2) Mrs. Priyanka. N
Software Trainer.
Adroit technologies.

Mobile No: 9788575653

Mail ID: priyanka.adroittech@gmail.com.

Feedback:

I have given a hands on training on E-commerce website publishing to B.10m - E.10m students. Since, it was the records phase in training, they developed their own e-website and mobile application for products as well as companies. They showed more interest towards it and cooperated well.

The Management, Principal, Staff and Students of the
Department of Mathematics
invite you to the

UGC Sponsored

One day National Level Seminar
on

**Recent Advances
in Mathematics**

03.02.2017

About the Institution

About six decades ago, in 1952, Sri G.V.G. Visalakshi College appeared on the academic map of Tamilnadu as the first Women's College in Coimbatore District. Set in idyllic environs the stone edifice of the college stands as an eternal monument of the philanthropy and foresight of the founder Sri. G.V.Govindaswamy Naidu, who envisioned a futurity of emancipated womanhood of the socially, economically and culturally backward rural society of Udumalpet in his days. The story of the growth of the college is one of gradual uphill ascent to the summit of excellence. As an ISO 9001:2008 Certified Institution with the NAAC Re-Accreditation at the 'A' grade level, the College is continuously striving hard to impart the Quality Education.

About the Department

The Department of Mathematics of Sri G.V.G.Visalakshi College for Women, Udumalpet established in the year 1956 is well known for imparting quality education. The department takes keen interest in developing the research acumen among the students and teachers in the emerging areas of Mathematics. For achieving this objective the department organizes conferences, workshops and symposiums by inviting eminent mathematicians.

Objective of the seminar

The main objective of the seminar is to promote mathematical research and focus on the recent advances in the following thrust areas and their applications.

- ❖ Nano Topology
- ❖ Intuitionistic fuzzy mathematics
- ❖ Differential Equations
- ❖ Control Theory
- ❖ Number Theory & Cryptography
- ❖ Optimization Techniques

The seminar will provide an ideal platform for young researchers to interact with senior mathematicians, and to exchange their views and ideas.

Call for Papers

The authors are requested to submit the soft copies of their papers relevant to the topic on or before **20.1.2017** to mathssem2017@gmail.com. The articles should be typed in A4 size, Times new roman, font size 12 and 1.5 line spacing not exceeding 4 pages. An award will be given to the best paper presented.

Publications

The selected papers will be published in the seminar proceedings with ISBN.

One Day Colloquium on

SUSTAINABILITY IN HIGHER EDUCATION MODELS AND TOOLS

29th September, 2016

Organized by

Internal Quality Assurance Cell (IQAC)
Sri G.V.G Visalakshi College for Women
(Autonomous)

Accredited at 'A' Grade by NAAC

Affiliated to Bharatiar University

An ISO 9001 : 2008 Certified Institution

Udumalpet - 642 128.

About the Institution

Sri G.V.G.Visalakshi College is a prestigious Autonomous Institution founded in the year 1952 by the renowned Philanthropist Sri G.V.Govindasamy Naidu, an Industrialist from this part of the district. It is the first Women's college under Bharathiar University with 64 years of Academic Excellence in the Empowerment of Women. As an ISO 9001:2008 Certified Institution with the NAAC Accreditation at the 'A' Grade level the college is continuously striving to establish the Quality Policy, "To Educate, Empower and Elevate".

IQAC at GVG

IQAC of the College was established in the year 2002 and since then it has been vibrantly working to ensure various aspects of the academic activities of the Institution.

The salient objectives are to

- Develop a generic system for consistent, cognizant, constructive and creative action to improve the academic and administrative performance of the institution
- Facilitate and support measures for institutional functioning towards quality enhancement through internalization of quality philosophies and institutionalization of best practices.

Colloquium at a glance

The sustainability in higher education implies double challenge in the process of learning concerning both "Paradigm" and "Provision". In this context, the possibility of reorientation of Higher education depends on widespread and deep learning attitude within the community and the policy makers should precede and accompany the matching change in provision and practice. The probability that any Higher education Institution responds to such a challenge with appreciation depends on three fundamental areas of concern; firstly the nature of path that dwells in with regards to Paradigm and Provision, second the nature of territory that sustainability indicates and the third being the journey into that arena from the prior one. The sustainability does not require any add-on to the existing structures and curricula; but simply it requires epistemology in our educational thinking and practice. This colloquium will provide a gateway to different views on curriculum, pedagogy, organizational changes and policies.

Recent Advances in Graph Theory

29.02.2016

ABOUT THE INSTITUTION

Sri G.V.G. Visalakshi College for Women is a prestigious Autonomous Institution founded in the year 1952 by the renowned Philanthropist Sri G.V.Govindasamy Naidu, an Industrialist from this part of the district. It is the first women's college under Bharathiar University with 64 years of academic excellence in the empowerment of women. As an ISO 9001:2008 Certified Institution with the NAAC Re-Accreditation at the 'A' grade level, the college is continuously striving to establish the quality policy, "To Educate, Empower and Elevate".

ABOUT THE DEPARTMENT

The department of Mathematics of Sri GVG Visalakshi College for women, Udumalpet was started as one of the earliest departments of the college in the year 1956. It was upgraded as PG department in 1985 and elevated as research department in 2003. Right from its inception the department has been striving to set high standards of teaching and learning adhering to the goals of the college. The department maintains a record of good service with the vision of the Founder to establish a strong mathematical foundation among the young learners.

CONFERENCE OBJECTIVES

The main objective of organizing this conference is to promote genuine research and contribute to the development of graph theory. It also provides the opportunities for the researchers to exchange innovative ideas and research findings in recent advances in Graph Theory. It also acts as a platform for researchers to find future collaborations and establish research relationships throughout India.

ABOUT THE CONFERENCE

Graph theory has developed into a very active area of mathematical research. A major impetus for this growth has certainly been the wide applicability of graph theory in various fields and it has proliferated across the academic spectrum in recent years.

Re-Accredited at 'A' Grade by NAAC

Udumalpet - 642 128.

Tamilnadu

OUR COLLEGE

Sri G.V.G. Visalakshi College for Women is a prestigious Autonomous Institution founded in the year 1952 by the renowned Philanthropist Sri G.V.Govindasamy Naidu, an Industrialist from this part of the district. It is the first Women's College under Bharathiar University with 62 years of Academic Excellence in the Empowerment of Women. As an ISO 9001:2008 Certified Institution with the NAAC Re-Accreditation at the A Grade level, the college is continuously striving to establish the quality policy, "to Educate, Empower and Elevate".

OUR DEPARTMENT

The Department of Physics was established as a Major Department in the year 1986 at the B.Sc Degree level and now upgraded as a PG department from the academic year 2013-'14. Our Under Graduate students take-up National Graduate Physics Examination (NGPE) conducted at the All-India level by the Indian Association of Physics Teachers (IAPT). Students also attend summer courses in the Experimental Physics hosted by Institutions such as Indian Academy of Sciences, Bangalore, Homi Bhabha Centre for Science Education and Research, Mumbai etc. Our PG students undergo summer internship program at the Centre of Nanoscience and Nanotechnology, Bharathiar University, Coimbatore, IGCAR, Kalpakkam etc.

ABOUT THE CONFERENCE

The development of Novel Materials with high performance and environment friendliness is today's requirement at global level. It is a challenging endeavor to synthesize, fabricate and characterize the materials to meet the requirements of day-to-day applications.

The scientific world today needs research and development in the field of Advanced Materials due to its utility in the wide range of sectors such as Electronics, Telecommunications, Energy, Aerospace, Defense, Medicine etc. Advanced materials are the innovations of modern science and technology developments.

The conference on "Advanced Materials" is an interdisciplinary venture, bringing together researchers from various fields of Science and Engineering to discuss about tailoring and synthesizing a material with new improved structural and functional properties at affordable fabrication costs of material composition, enabling technology in most applications.

Objectives of the Conference :

- i) To present a broad spectrum of knowledge in the synthesis, characterization and applications of novel materials.
- ii) To highlight the advances and new findings in the materials and polymers.
- iii) To provide a platform to present the findings of the young researchers.

Topics to be covered

- Smart Materials
- Multi Functional Materials
- Conducting Nano Polymers
- Nano materials

CALL FOR PAPERS FOR ORAL AND POSTER PRESENTATION

The original work of the researchers and students may be sent as an abstract in 250 words by email to mail id gvgphy07@gmail.com. Acceptance of abstract will be intimated to the participants. The soft copy of the full paper should be submitted. The Abstract and full paper should carry the title of the paper, name of the authors with their affiliations and email id, Times New Roman font with font size 12 and 1.5 line spacing. The abstract and paper should be neatly typed in MS word or PDF not exceeding 6 pages including figures and tables. Selected manuscript will be published in the " NCAM - 2015" with the ISBN number.

Important Dates

- Abstract Submission** - 21.01.2015 (by e-mail)
Abstract Acceptance - 27.01.2015 (by e-mail)
Full Manuscript - 02.02.2015

Registration details

Department of Information Technology**

GENESIS OF THE COLLEGE

Sri G.V.G Visalakshi College, established in the year 1952. It appeared on the academic map of TamilNadu as the first women's college in Coimbatore District. Set in idyllic environs the stone edifice of the college stands as an eternal monument of the philanthropy and foresight of the founder Sri G.V.Govindaswamy Naidu, who envisioned a futurity of emancipated womanhood of the society of Udumalpet in his days. His posterity, the great granddaughter of the founder, Smt. Sumathi Krishnaparsad, our managing trustee and secretary has fostered and nurtured the spirit of her sire. Enlarging the scope and variety of higher education offering a multiplicity of traditional and modern courses. The story of the growth of the college is one of gradual uphill ascent to the summit of excellence.

ABOUT THE WORKSHOP

The scope of the workshop is to provide a premier forum for the dissemination of innovative ideas as well as research findings. The aim of the workshop is to reach a milestone in the area of Computer Applications and Information Technology. Today's society is becoming more and more connected on open networks such as Internet, where commercial activities, business transactions and government services are concentrated. This has led to the intensification of network threats and numerous information security issues. This situation warrants need for secured applications with internet security platform. This workshop helps to raise awareness and understand the changes and challenges in internet security.
