7.1.13 CORE VALUES OF THE INSTITUTION

Human and Ethical Values

The Institution believes that the important dimension of holistic education is the possession of human values and ethics by every individual. It embraces culture, heritage, love, loyalty harmony, peace and honesty.

Global Competence

This is a distinctive trait that a student must possess when she moves across the globe. The student must keep an open mind to adopt diverse perspectives and cultures and demonstrate resilience in new situations with self-directed spirit of creation and contribution.

Academic Prowess

The Institution envisions that every student acquires academic prowess through the curriculum which is a rich blend of academic, physical, social and cultural activities.

Selfless Service

This motto of the college “**Not for Self, But for All**” explicates the commitment to the nation.

Social Responsibility

The Institution takes a strong stance in being socially responsible. It actively encourages community engagement of the students and creates a positive impact in its inclusive growth. Students are made aware of the issues in the society that are challenging and are motivated to establish relationships with the society that embody and communicate high standards in it.

Technical Skills

Technical skills are foremost in employability. Hands on training and the ICT component of the education equip the necessary technical skills among students.

Life Skills

The Institution is passionate in nurturing the life skills of the students while in the campus. It takes care of cultivating the personal, interpersonal, learning, leadership and parenting skills.
