SURVEY REPORT:

The objective of the survey field work under the extension activity is to involve the students in social activities and work for the well being of the society, to create awareness of the things happening around to the people's living in the economically backward areas.

The result of these activities is that the counseling given by our students to the parents leads to results in motivates the children's to continue their studies.

*Our students and faculty members in Survey Activity under the title of
"EMPOWERMENT OF WOMEN EDUCATION IN RURAL AREA"*
