Report

"The essence of education lies in drawing out the very best that is in you."

Under the Students Induction Programme a bridge course in Commerce for Commerce stream students commenced from 16th August 2022. The main objectives of the programme is to

- Convert the students from memory based learning to understand based learning
- Convert mark orientation to application orientation
- Familiarize Tamil medium students with Commerce and accounting terminologies in English
- To learn the subjects from real business environment angle.

A bridge course for newly admitted students is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in Graduation. The syllabus for the course is framed in such a way that they get basic knowledge on the subjects that they would be learning in graduation.
