organisers : GVGVC IIC & Department of Mathematics (SF)

Topic : Pitching event for Ideas scouted

Date : 27.01.2022

sharing is an activity through which knowledge is Exchange among friends.

The main goal of this activity is to create an awareness among UG students about hackathon in which our III Mathematics (SF) students participated in Ideathon-2021 organized by IIMT college and backed a second position. These students were made to share their experience and knowledge of participating in that program and to motivated their juniors to participate in future programs. Our IIC Ambassador Dr. A. Kalavathi, Assistant professor, Department of Mathematics supported and guided for the students for their active participation in the programme.

The following students are explained their experience and guided their juniors in this session.

1. T. Anitha
2. B. Aswathy
3. K. Geetha
