Report on Regional level Mentoring Session under

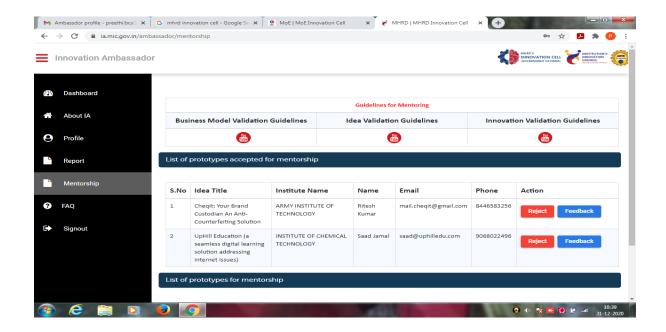

IIC National Innovation Contest 2020

Ministry of Innovation Cell has nominated Mrs.S.Preethi, Assistant Professor in Computer Applications (Innovation Ambassdor) for mentormentee interaction for Online Learning Sessions and paired up Student teams from IIC Institutions based on the theme preference and interest submitted by mentors. She acted as a mentor for two teams from 6th November 2020 to 26th November 2020. Nominated Prototype teams have been connected with the mentors i.e. faculty Innovation Ambassadors (trained by MIC) via random allotment.

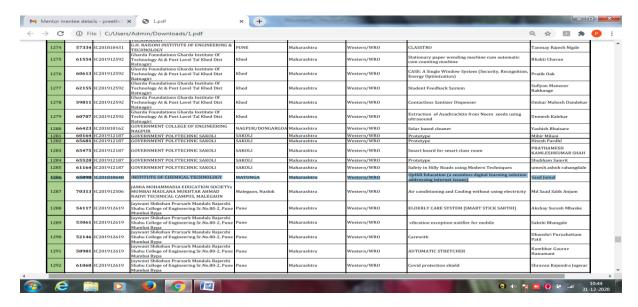

- **Team 1:** "SERRI CLASS" from INSTITUTE OF CHEMICAL TECHNOLOGY, Mutanga, Maharastra.
- Team 2: "CHEQIT" from ARMY INSTITUTE OF TECHNOLOGY, Pune, Maharastra.

Two meetings through Google Meet platform were conducted by the mentor in each week, and the following matters were discussed with the team lead, under the guidance Youtube video of MIC.

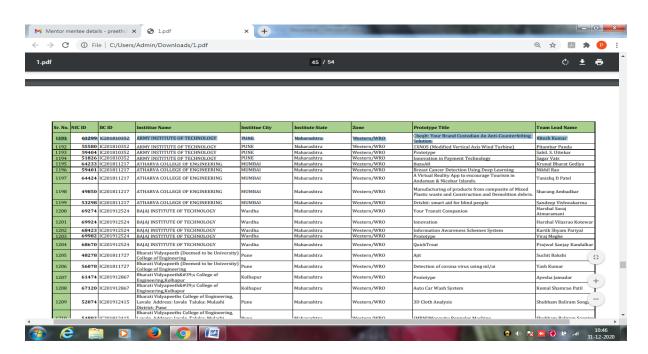

- Week 1: Design Validation tool (Double Diamond Approach)
- Week 2: Product Innovation Rubric
- Week 3: Business Model Canvas
