Session on Problem Identification - 14.12.2020

14.12.2020

Session on Problem Identification

Institution's Innovation Council of G.V.G.C organised the "Session on problem Identification" in online mode through the Microsoft Teams platform on 14.12.2020. In this programme, students from physics discipline presented the problems they have identified in the environment with solutions to overcome the identified problems.

Y. Sowmya, S. Swetha and S. Vijaya Bharathi were the speakers of the session. They presented their observations on Chennai floods, Women safety and financial problems during Covid lockdown. In this session, they discussed about the ~~an~~ impact of above problems on the people and solutions for those issues. ^{around} 75 students participated in this programme.
